HERE is why the owners of the biggest barns in Canada choose Neponset Paroid Roofing:

Slowly made' roofings are the only kind that wear out slowly. You can't make good roofing quickly. Rull the manufacture and you get manufacture and you get manufacture and you get roofing products quick to "tune tests and insured and you get roofing products quick to "tune the summer—quick to become britte in whint a leak—quick to start a leak—quick to wear out allowering."

attogether, Get. "Neponset Roofings"—the "Jowly made "kind. Nothing skippet. Nothing skimped. Every dollar's cost given a dol-lar's worth of durability. Any cast kind-easily lay them. They are the finest kind-marance against repair bills—fire—and all prefing troubles.
