

The Proof is in the Drinking

You need drink but a few cups of Red
Rose Tea to prove that it is richer and
finer flavored than the tea you are using.

BECAUSE

it is composed of a Blend of Indian and
Ceylon Teas, carefully selected and blend-
ed by our expert tea tasters, combining
the best qualities of both these teas,
which produces that rich full flavor
which has made Red Rose Tea famous.

Ask your grocer for a package to-day and
prove that
