

## How do you judge a tractor?

You should demand the tractor that will give the biggest days work, for the greatest number of days at the lowest total cost for labor, fuel and upkeep.

At the greatest tractor test of all time held in July and August 1919, by Ohio State University, Hart-Parr 30 out-performed all competitors, developing 26 1/2 drawbar horsepower. It proved that Hart-Parr 30 offers more horsepower per dollar invested, more horsepower per pounds of weight and more horsepower per plow.

A record of 19 years tractor building experience assures you of sturdy construction.

The Hart-Parr 30 is the most accessible tractor built. You don't need to tear down the tractor to get at the working parts.

The Hart-Parr 30 is guaranteed to burn kerosene as successfully as gasoline engines burn gasoline; to develop as much power from it and use no more of it.

**Free Book**

The free book will answer many of the problems that are confronting the prospective tractor buyer. Write for your copy today.

Many of the old Hart-Parr tractors that served the West and the East are still in use today.

## I WONDER IF MY NEXT YEAR'S CROP WILL BE A SUCCESS

Why wonder? You can have a record crop if you wish. NOW'S the time to look ahead. NOW'S the time to plan.

WRITE FOR OUR FREE BOOK—  
"Feeding the Farm."

It is a recognized authority on manure and the right way to handle and spread it. It gives you many helpful ideas on improving the texture and fertility of your land.

The GILSON Nisco will meet all your requirements.

**GILSON MFG. CO. LTD.** 98 York Street GUELPH, ONT.

THE soil cannot give more than it has got. You have got to fertilize. Manure is the best fertilizer. Good manuring will bring the best results and will insure a record crop.

For good manuring the Gilson Nisco is the accepted standard. WHY?

- Because it has a very wide spread,—easy to adjust.
- Because it is low down.
- Because it loads high and hauls easy.
- Because there are no complicated parts, no gears, no clutch.

## Let "Johnny-on-the-Spot" Pump For You

LET US SEND YOU a "Johnny-on-the-Spot" Engine and Pump Jack—the universal pumping engine—to solve your pumping problem. It will give you fresh water whenever you want it at a cost of less than one cent for an average day's supply. In addition it will run the cream separator, churn, washing machine, feed cutter, etc. There are more "Johnny-on-the-Spot" Engines pumping water and doing the other chores on Canadian farms than any other make. Life is too short to do this monotonous drudgery in the old expensive wasteful way. All sizes. Send for catalogue.

Write us to-day for our Special Advertising Offer to the first purchase in every locality. Do not delay—you need this engine now.

**GILSON MFG. CO. Ltd.**

889 York St., GUELPH, ONT.

NEPONSET PAROID enjoys a national reputation, and is acknowledged to be the best ready roofing on the market. To use Neponset Paroid is to have a guarantee that your roof is water and weather proof, is fire-resisting, will give you long service, and be economical in upkeep.

## NEPONSET PAROID

is adapted to every kind of roofing job, whether large or small, and gives the same excellent service if used on a small shed, or for roofing the largest industrial plant.

The base of Neponset Paroid is a high-grade rag felt thoroughly impregnated with asphalt, making it positively water-proof and fire-resisting.

It is further reinforced with a talc surface, grey in color; or with a permanent slate surface, red or green in color.

Easy to lay — With every roll of Neponset Paroid is supplied sufficient nails and cement with full directions.

There is a Neponset dealer in your district. Write us for his name and a copy of our illustrated booklet "Roofing Canada."

Made in Canada by  
**BIRD & SON LIMITED**  
Hamilton, Ont.

"Canadian money, Canadian made, should be spent in Canada for Canadian trade."
