

Troubled with Heart

NERVES WERE ALL UNSTRUNG

Mrs. Oscar Hamilton, Forest Glen, N.S., writes:—"I can truthfully say that Milburn's Heart and Nerve Pills have been a great friend to me. A few years ago I was very much troubled with my heart and my nerves were all unstrung. I had terrible pains all through my body. I was weak and had frequent and severe dizzy spells, and was continuously having to consult doctors. I had Milburn's Heart and Nerve Pills recommended to me and after having taken a box they appeared to help me so much I continued to take them, and was soon able to do my work again. For this I am very grateful and would advise all people with weak heart or unstrung nerves to give them a thorough trial."

Milburn's Heart and Nerve Pills are the original heart and nerve cure and are sold at all dealers for 50c per box, or 3 boxes for \$1.25, or will be mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

PLEASE MENTION THIS PAPER.

GOSSIP.

Dr. T. S. Sproule, M. P., of Markdale, Ont., has lately sold the following Shorthorns from his Cedardale herd: To John Williamson, of Cylon, Ont., a choice red yearling bull, sired by the stock bull, Imp. Lord Fyvie, a Minerva-bred son of the great bull, Primrose Fancy, his dam being the Miss Ramsden cow, Martha 7th, a daughter of the Toronto grand champion, Imp. Prime Favorite. Mr. Williamson is to be congratulated on securing so richly bred a bull to head his herd. The Doctor has also sold to James McFadden, of Glenelg, a red-roan yearling bull, got by the same sire, and out of one of the best milkers in the Cedardale herd, tracing to Beauty, by Snowball, on her dam's side, and sired by a bull bred on the same lines. This bull should do a power of good for Mr. McFadden, along the lines of milk-production.

John Miller, Brougham, Ont., in ordering change in his advertisement, says: I am all sold out of young Shorthorn bulls fit for service. I have sold nearly twenty since the first of last December. To John Sirrs, Pine Orchard, Ont., I sold a choice red calf, sired by the good imported bull, Benholm Butterfly; he also bought six of my best Shropshire ewe lambs, to start a flock with. E. B. Tole, of Blenheim, got a good fifteen-months-old calf; he bought him on order, and was well satisfied. Mr. Sirett, of Rosseau, Ont., also bought a red sixteen-months-old bull, on order, and wrote that he was just what he wanted. Chas. P. McLennan, of Lefroy, took the red calf, Prince Brilliant, and to Heron Bros., Ashburn, I sold one of my best bred calves. These were all sold through my advertisement in "The Farmer's Advocate," and quite a number of others. If any of your readers are in want of a choice ram to show and use, I have some of the best I ever raised, large and well covered; also a few yearling ewes fitted for showing.

ORCHARD GROVE HEREFORDS.

Orchard Grove Stock Farm lies about one and a half miles south-east of the town of Oshawa, and is the home of one of the choicest herds of Hereford cattle in Canada. The owner, L. O. Clifford, is a young man that is rapidly making a name for himself as a breeder and fitter of high-class stock. The white-faced beefers are his particular fancy, and, on launching out as a breeder, his ambition and determination was to own the best herd in Ontario. That he is rapidly reaching the pinnacle of his ambition can be gleaned from the fact that last year, at Toronto, in his maiden effort to wrest the honors from the old stalwarts, he won first and championship on cow, second on herd, first on yearling, and several individual seconds. This year, with the herd considerably strengthened, we look for premier honors to go to this herd. The stock bull in service is the Toronto, London and Ottawa several times champion, Bourton of Ingleside, a bull of wonderful flesh and form, and a sire with few equals in the breed. Among the breeding cows are such cranks as Amy 4th, who has to her credit several championships at Toronto and Ottawa, Laura 13th, a Toronto first-prize winner, and her two-year-old daughter, winner of first prize at Toronto for two years; Jessie, a second-prize winner at Toronto, and several others, winners of more or less note, big, thick cows, from 1,600 to 1,900 lbs. in weight. Among the younger things in the herd just now are several that have won honors in the world's strongest competition at Chicago, that will certainly add honors for the herd this year at Toronto. Parties interested should look up the exhibit at Toronto. For sale are a number of heifers one and two years of age, as well as a few track, straight, sappy young bulls, most desirable as herd headers. The farm is connected with long-distance telephone.

The second item appeared in a French newspaper.

There was found in the river this morning the body of a soldier cut to pieces and sewed up in a sack. The circumstances seem to point out a suspicion of suicide.
