AS TO THE SIZE OF ELECTRIC TOASTERS

Electric Toasters are made in many different sizes. There is a Toaster for a small family, and a Toaster large enough for restaurant use. There is no difference in the quality of the toast—just a difference in the amount that can be made at one time. For a Toaster just your size, ask at the Comfort Number.

Fifty Per Cent.

of men aged 60 are dependent upon others for support.

This rather startling fact, as revealed by reliable statistics, should cause every young man some serious reflection.

Such a condition may be readily averted by means of life insurance, procured during one's earlier years.

It will certainly be to your advantage to secure a policy at once from the
