# PICK FROM PURITY.

Come here when you will, buy what you will, you are picking from purity.

You will be exchanging your money for the most worthy goods that we can find after diligent hunting.

The whole stock, from one end to the other, the bread and butter staples, and the most exclusive delicacies, have received close care when being bought, and are hand handed over to our customers as examples of the best the market affords.

Could you ask for more?

Our prices in every instance are as low as they could possibly be.

What else can we do?

**Try us for Spices and Vinegars.**
