

The Enterprise Perfect High Oven RANGE

One of the most Beautiful, as well as the most Practical and "Common Sense" STEEL RANGES ever offered.
Two doors instead of one, thus doubling the Baking Capacity, with the same amount of fuel as used in the ordinary Range. Each door is fitted with a THERMOMETER.
The Back is of White Porcelain Enamel. This finish can be kept perfectly clean, and is the most Sanitary Finish that can be produced.

CAPTAIN WILLIAM WOOD MARRIED

Halifax, Sept. 27—The marriage was solemnized very quietly this morning at eight o'clock, in St. Stephen's Chap-

el, All Saints Cathedral, of Mildred Alice, daughter of Mrs. James B. Uniacke, of this City, and Captain William Truman Wood, of the 85th Highlanders, and son of Lieut. Governor and Mrs. Wood, of New Brunswick, The Very Rev. Dean Liwy officiated.

The Chappel had been very prettily decorated for the occasion with palms and pink lilies. The bride and groom were unattended, and the only immediate relatives of both families were present at the ceremony.

The bride looked very lovely in a handsome gown of nigger brown satin with trimmings of blue, with which she wore a hat to match, trimmed with blue. Her bouquet was of cream roses.

Immediately following the ceremony Captain and Mrs. Wood left for a motor trip followed by the good wishes of a large number of friends. The bride wore a travelling costume of brown with fur trimmings.

Among the guests present were the groom's parents, Lieut. Governor and Mrs. Wood, and his two sisters, Mrs. Harvey, of London, Eng., and Mrs. F. B. Black, of Sackville, N. B.

Capt. and Mrs. Wood are stopping in town with Mrs. G. W. Woodworth.—Ed.
