### TAMMANY HEELERS WON.

TAMMANY HEELERS WON.

The game between the C. F. M's. and the Tammany Heelers yesterday afternoon was one-sided all through, the Heelers winning by a score of 23 to 10. The Heelers had it their way all the time and had no difficulty in making the score so large as it was. Heavy batting by the Heelers was the feature of the game, and Jim Trotter as coacher was right there with the goods. Basset and Taylor were the batteries for the winning deam, and Robert and Bunting did the work for the Millers. Basset did not require to let out, and so pitched an easy game. Taylor made a home run and a 3-bagger.

bagger.
Messrs. Kimmerley and Taylor
handed out the decisions, satisfactory
to both teams.

COMING—THE GAY MR. DOOLEY.

Harry La Reane, as Mr. Dooley, is considered by press and public to be the funny Harry Le Reane. He will cure the blues. The Four Le Reanes always give you a first class show.

"What are you laughing at?" we said to a fellow this morning, with a broad grin on his face, so broad that it made the top of his head look like an island surrounded by mouth. "What in the world are you laughing at?" I was just thinking of that show that I saw at the Opera House last night, it was flury Le Reane and his company in Gay Mr. Dooley with their splendid high class concert band, and orchestra, and company of twenty people.

See street parade, at noonday of show, and hear fine open air band concert at noon and evening in front of Brisco Opera House Thursday, Sept. 26, Prices 50e, 35c and 25c. Seats now on sale at Briscos.

distance of about three miles from the place mentioned above.

The cow was crossing the track, and when run into by the car was thrown a distance of about twenty feet, and at the same time derailed the car. The dummy was sent for and arrived in a short time, and after three hours hard work the men were successful in getting the car back on the track. When this was done it was found that the car was again due in Wallaceburg. It returned to the Burg, and after getting ifs passengers started for the Maple City, arrived here about one hour late.

hour late.

Luckily there were only a few passengers in the car when the accident occurred. It is not known to whom the animal belonged.
