**\$500 REWARD FOR WOMEN**

**WHO CANNOT BE CURED.**

Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Prolapsus, or Falling of Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.

**The Vice-President Independent Order of Good Templars.**

An experience which many women have related by Miss Agnes Stebbings, of 31st East York street, New York City, as follows: "I had very poor health for a year until I looked dark and dreary to me. Had headaches, backache, also pain, my sleep was broken and fitful. I longed for health. Tried several medicines but none were of any lasting benefit until I took Doctor Pierce's Favorite Prescription. I soon realized that I had found the right remedy. It helped nature to throw off the poisons that saturated the system, removed all pains and strengthened the digestive organs, and brought the color back to my cheeks. This medicine if health be occasionally kept the system in perfect condition, helping it to throw off the poisons and consequences of exposure to dampness. I am pleased to give it my endorsement."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of 31 one-cent stamps for the paper-covered book, or 50 stamps for the cloth-bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

Freeman Joseph Tucker had rather a chilly bath in the river Saturday morning. Joe is working for the Waterworks Department now and Saturday morning he was attempting to get out near the Perc Marquette bridge. In some way he missed his footing and fell into the river. He got out without much difficulty, however, and he was at work again this morning, none the worse of his cold plunge.

J. W. Wilson has received a letter from Howard Waddell, an old Chatham boy, and a son of ex-Adm. John Waddell, who is at present in Habana, Cuba. The letter is dated November 26th and at that time Howard was enjoying the very best of health. Sunshine and palm trees are the chief features of Cuba at the present time. Howard wished to be remembered to his many Chatham friends.

**FOR TWENTY YEARS**

Not An Unusual Instance.

"I used Pyramid Pile Cure and have not had any trouble since. I have been a sufferer with piles for twenty years. I think it is the best remedy on earth for piles. Hoping this will help others to use this remedy." Mrs. J. D. Teller, R. F. D. 20, Sparta, Mich.

It is a singular fact that although many women suffer from piles, or hemorrhoids, they frequently do not have proper treatment because of a delicacy women have in mentioning such a subject. Especially is this the case with those who have no husbands or brothers in whom they can confide; and a physician is seldom consulted until the pain and agony incident to piles becomes unbearable.

Thousands of women have suffered even longer than did Mrs. Teller, all ways experiencing slight or temporary relief, if any, from the various remedies used and finally settling down to the conviction that a cure in their cases was impossible. Pyramid Pile Cure has come as a boon to all such, as it seldom, if ever, fails to effect a permanent cure. It is sold by druggists for fifty cents a package, or will be mailed by the makers to any address, upon receipt of price. Absolute secrecy is guaranteed, and no name is ever tied without the consent of the writer.

It is suggested that those interested write to Pyramid Drug Co., Marshall, Mich., for their little book describing the causes and cure of piles, as it is sent free for asking.

He was also favorably impressed with the Mineral Bath House and Tecumseh Park. He says the mineral water is the finest he has ever seen and he predicts a great future for the company.

Mr. and Mrs. Larkin spent Sunday with Mr. and Mrs. Frank Babcock at the Sanitarium.

Not long ago a man who was always cross and tired arrived home smiling joyfully; he explained to his delighted wife that his liver trouble was cured at last through Vito Laxative Fruit Pills. Messrs. Gunn & Co., druggists, keep them in stock; price 25 cents.

Detroit Specialist who has 14 diplomas and certificates from medical colleges and state boards of medical examiners, and who has a vast experience in doctoring diseases of men, is positive he can cure a great many so called incurable cases.

Who wants no money that he does not earn. In order to convince patients that he has the ability to do so he says, Dr. Goldberg will accept your case for treatment, and you need not pay a penny until a complete cure has been made; he wants to hear from patients who have been unable to get cured, as he guarantees a positive cure for all chronic, nervous, blood and skin diseases, which he accepts for treatment. He not only cures the condition itself, but likewise all the complications, such as rheumatism, bladder or kidney troubles, blood poison, physical and nervous debility, lack of vitality, stomach trouble, etc.
