WOLFVILLE LOSES TO BRIDGETOWN

Visiting Team Won By Three Runs and Eight Wickets

Wolfville was defeated by Bridgetown in a league cricket game on Saturday. The game was won by three runs and eight wickets to spare, the winning run being scored when only two Bridgetown players were out.

The game was uninteresting and, contrary to games played before this season, it did not comprise any brilliant fielding nor did it provide any thrilling moments. Several long hits were made in the batting, and D'Almaine, of Wolfville, had the batting honors for the day, when he scored 27 runs. If each Wolfville player had done half as well as he the tale might have been a different one, but he lacked support. While he was scoring his 27, the other ten, combined, could gather only 12 runs. Seven Wolfville players were retired in the first inning without breaking their duck's egg, and a majority of these did not last an over.

For Bridgetown Philip Donat ran up the high score, 19, while Little, McKenzie and W. Donat ran into double figures also.

Jack Malcolm, star Bridgetown pitcher, who was bowling a great game for Bridgetown, had a chance to show his sportsmanship in the last part of Wolfville's second inning. Robinson hit one which Malcolm caught, not, however, before it touched the ground. If he had let it go as a catch the game would have been ended and Bridgetown would have won easily. However, he called it a "bum" ball and called the players back to the field. Robinson collected more runs and necessitated Bridgetown's going to bat again. They put up but four men before they collected the eleven runs necessary to win.

WEDDING ANNIVERSARY

On Monday evening, Aug. 7th, a number of people met on Wolfville Ridge and made known their approach to the home of Mr. and Mrs. Reginald Hennigar by the blowing of horns and whistles and the ringing of bells. It was the tenth anniversary of their wedding. The bride and groom of ten years opened their hospitable doors and ushered in the company out of the pouring rain. The visitors took charge. Mr. and Mrs. Hennigar were presented with some useful and ornamental gifts and beautiful bouquets of cut flowers. A well arranged program of games, solos and instrumental music was carried out, and the party broke up, after singing the National Anthem, in the wee small hours, wishing their host many happy returns.

TO GET TRADE FOR CANADA

Hon. J. S. Robb, Minister of Trade and Commerce, left last week for England on a mission designed for the development of trade between Canada and European countries.

GREENWICH

The whole community was interested and shocked when the news was circulated on Wednesday (2nd) afternoon and evening, of the fatal accident at Windsor, that the only son—Lloyd—of Councillor and Mrs. Ira Lohnes had been almost instantly killed that afternoon, by falling from a team wagon to the street, his head being struck by a wheel. The terrible accident happened so near to his home, on a public street and while the little boy, who was between 6 and 7 years of age, was on his way to his father's place of business, he being the well known undertaker of that town. He also was riding on his father's team in company with an elderly man who was very fond of the little fellow and who was in Mr. Lohnes employ. Mrs. Lohnes, the mother of the little boy, was Miss Bessie Harvey, daughter of Mrs. Emma Harvey of this place. Mrs. Harvey and Mr. and Mrs. Lee Bishop, as soon as possible started for Windsor, Mr. Harris Forsythe taking them in his car. The funeral was held on Friday afternoon. A good many relatives here motored down to attend. The grief stricken parents have the sympathy of friends here. Two little daughters are left to them.

Miss Isabelle Hawley went to Waterville last Wednesday, to visit friends for some time. Mr. and Mrs. Edward Jiles and two children, of Digby, recently visited for a few days at the home of Mrs. Jiles' sister, Mrs. R. Schofield. Mr. and Mrs. Manzer, of Somerville, Mass., are guests of the latter's sister, Mrs. George Bishop. Mr. and Mrs. Chesley Forsythe, of Bridgetown, called upon relatives here last Thursday morning, having motored through, accompanied by "nearly" Mr. and Mrs. Banks, of Morristown, the latter being a sister of Mrs. Forsythe. They went on to Halifax to spend a few days, Mr. Forsythe being on a vacation from his duties as station agent.

Miss MacDonald, who has been a guest of Miss Esther Pearson for over a week, left on Saturday morning for her home in N. B. Mrs. T. A. Pearson and daughter Annie, are spending some time with Mr. and Mrs. Brenon Merry, at Bear River. Mrs. Fred Forsythe left on Saturday morning for Morden, to visit for a week, with her friends, Mr. and Mrs. Hicks, of Aylesford, who are stopping over at the shore for a few weeks. Mr. and Mrs. Arthur Leslie, of Dartmouth, spent the weekend with Mr. and Mrs. A. K. Forsythe. Mr. Leslie is on vacation from his responsible position as Supervisor, at the N. S. Hospital, and they left on Monday morning for Kingsport, to spend the vacation with Mrs. Leslie's sister, Mrs. Cosy Hill, of Kentville, who has a cottage at the popular summer resort.

Mr. G. Fraser received the sad news one day last week, of the death of an aged sister, Mrs. Cochrane, of Dartmouth. We were much pleased to read in last week's Advertiser, the splendid marks, or article, on her good marks, made in last year's work, of Miss Joyce Harvey, one of our girls, who attended Kentville Academy last year and is now taking the summer course at Normal College at Truro. She was with the best in the class, in English and Latin and led the whole class in French. She also made good marks in her M. P. Q. work. We should be proud of Miss Harvey, such a young girl. Mr. Spinney, of the staff of N. H. Pilmney Co., Wolfville, very recently sold and placed in two houses in this place, very fine cabinet phonographs which are being much enjoyed.

A few from here motored to camp meeting at Berwick on Sunday, and enjoyed the services in the open air very much.

A PLEASANT OUTING

Employees of L. E. Shaw Ltd. Hold Picnic—Other News from Avonport

The employees of the brick-yards of L. E. Shaw Limited, with their families held their annual picnic on Saturday last at Kingsport. Seven cars and one truck conveyed the party of about sixty-five to their destination and a most enjoyable afternoon was spent. The sports included baseball, running and other athletic events. On the return trip the party stopped at Wolfville, where the ball team played a game with the Boy Scouts, resulting in a victory for the visitors by a score of 7-3. The evening was spent at the Opera House where a fine program of pictures was presented after which a delightful drive home was much enjoyed. The whole affair was a most pleasant one and tended to still further promote the good feeling that exists between the management and employees of the Company.

Mr. Edwards and Miss Haldeen motored from Halifax on Sunday last and spent the day with their friend Miss Olive Parker. On their return to the city they were accompanied by Miss Parker who will spend three weeks there.

PROVANDIE TO RETURN TO EUROPE

Wadsworth Provandie, the distinguished American Baritone has been offered these appearances at Albert Hall, London, England, together with an engagement with the celebrated Colonne Orchestra, Paris, during the coming season.

These engagements will mark the Baritone's first appearance in Europe since 1914. When asked if he would make an extended stay overseas Mr. Provandie thought it doubtful because of the chaotic conditions still obtaining in Italy where most of the Grand Opera companies start out, although he has a standing contract to sing leading roles under Impresario Pozzo, Milan, should he care to do so. During the greater part of last season Mr. Provandie devoted his time to teaching, counting among his pupils some of the best singers in the South. Temporarily retiring from public singing gave him the opportunity of enlarging his repertoire preparatory to his appearances in the coming season. Mr. Provandie will still maintain his school with able assistants and it is possible he will devote some time also to making records for the Brunswick Phonograph Co.

Mr. Provandie and his talented wife, Marion Tufts Provandie, will again delight the people of Wolfville and vicinity at the Opera House, Aug. 21st.

"THE UNLOVED WIFE"

Miss Florence Edna May must have had the important questions in a woman's life in mind when she wrote "The Unloved Wife", as the dramatic construction of this play shows the untiring efforts of a master mind in playwrighting and stagecraft. "The Unloved Wife" is human, it carries with it an appeal, it strikes quick at the heart, its comedy situations are brilliant, it is a remarkable story made into a really big play.

Unity Play Co., the producers, sends it here with a capable cast and beautiful production. The performance is for everybody over the age of sixteen, at the Opera House, Wolfville, Tuesday night only, Aug. 15th.

WOLFVILLE PLAYERS WIN AND LOSE

In N. S. Tennis Tournament at Bridge-water

Fine weather greeted the opening of the N. S. Tennis Tournament at Bridge-water on Monday. Wolfville's male representatives were unfortunate in that they were drawn with the best players in the province in the first round. R. W. Tufts lost to A. C. Wiswell, Halifax, last year's champion, in two exciting sets, 2-6, 4-6. Dr. Leslie Eaton was defeated by Captain Black, of Lunenburg, a former member of the British Davis cup team, 3-6, 4-6. This match drew rounds of applause from the gallery. Prof. A. B. Balmori lost to R. H. Goss, Halifax, 4-6, 4-6. Dr. C. E. A. deWitt gave Major C. Grant, of Halifax, a former champion, a hard game, taking the first set, 6-3, but losing the next two, 4-6, 2-6. Dr. Eugene Eaton defeated Ross McLean, Halifax, 8-6, 2-6, 6-4; and Austen Chute defeated his team-mate, Murray Beardsley, 6-2, 6-4.

The rain on Tuesday interfered with the tournament but playing was resumed on Wednesday. Dr. Eugene Eaton lost to Major Grant, 1-6, 3-6. R. W. Tufts and Dr. deWitt, playing splendid tennis, defeated Smith and McLean, Halifax, 6-3, 6-0. R. W. Tufts and Mrs. Fay, Bridgetown, defeated R. McLean and Miss E. Nauss, Halifax, 6-4, 9-7.

Miss Mary K. Lewis, of Lewis Avenue, South Yarmouth, Nova Scotia, has contributed to the Heraldic Display of the College of Arms of Canada, on parchment, a beautiful painted coat-of-arms of the Poole family. It is the work of her own hands as an artist. She ranks first of all in the Maritime Provinces, in ornamental art and she is the only one in the Maritime Provinces to send a specimen of Heraldic art in the said Display.

The congregation of St. Andrew's Church was favored on Sunday morning last with two beautifully rendered solos by Mr. Louis Bennett.

ENVER PASHA

Former Turkish Minister of War, who has established a new Mohammedan state in the Trans-Caspian. He has warned the Soviet to keep their hands off trans-Caspian territory despite the help they gave him in establishing his power in Turkestan.

U. S. RY. STRIKE CAUSES FEWER VISITORS

The strikers are not earning for themselves or their cause any good wishes from travellers. The news comes now that two charming girl descendants of the vice-admiral Nicolas Denys, Count de la Thibaudiere, etc., Viceroy in 1654 of Acadia (Nova Scotia), Gaspesia and Newfoundland, cannot secure transportation in time to be present at the Grand Pre celebration. Their names are Susan and Willimay Simmons and their home is a beautiful plantation near Louisville, Kentucky. They hold their diploma of registration in the Noblesse in the College of Arms of Canada. Their father, a wealthy and prominent banker, died some years ago leaving them heiresses to considerable property. On their father's side they descend from the English magistrate Samuel Simmons who was Deputy-Governor of the Province of Virginia under King Charles I in 1645. As representatives of Acadia's ancient viceroy a public reception had been planned for them at the Government House, Halifax, on their arrival.

FUNERAL OF DR. PRIMROSE

The funeral of Dr. Frederick Primrose took place last Saturday afternoon from his late residence. There was a short service at the house for the family and personal friends conducted by Revs. G. W. Miller and R. F. Dixon. The body was then taken up to St. John's church where it was met at the entrance to the churchyard by Rev. H. C. Cunningham of St. George's, Halifax, a very old friend of the deceased. A good choir had been got together and in the absence of the organist, Mr. David Manely, Mrs. L. Haliburton Moore took the organ. Two hymns and the Nunc Dimittis were sung and the Rector read the service. A short and very touching address was delivered by Rev. G. W. Miller, who had attended the Dr. during his illness, in which he spoke briefly of his fine personal qualities. Rev. Mr. Cunningham took the service at the grave. There was a large attendance in the church.

So passes an honored resident of our town, who during his brief sojourn among us had won the respect and affection of not a few who made his acquaintance for the first time. He was indeed, as Rev. Mr. Miller said in his address, possessed of a fine character. He was a man not only of exceptional ability in his profession, but of great kindness of heart, that manifested itself far beyond the limits of his own family circle, and he leaves behind him many sweet memories of benefits willingly and gladly conferred. "His works do follow him."

FARMERS' PICNIC

OPERA HOUSE, Wolfville

JOINT GRAND CONCERT

Monday Ev'g., August 21, at 8.15

WADSWORTH PROVANDIE

Celebrated Grand Opera Baritone

Marion Lina Tufts Provandie

Eminent Pianist

Positively their last appearance here for some time.

WHAT THE CRITICS SAY:

MONTREAL STAR

Beyond a doubt the laurels of the evening go to Wadsworth Provandie, for his splendid work as the King of Ethiopia, he possesses a rich powerful Baritone with unusual clear qualities. Throughout his entire performance not a break or a false register was noticeable, his presentation in emotional scenes and particularly in his acting with Aida, was evidence of his scenes ability, and reserve force. Creator is always welcome to Montreal with such a singer as Provandie!

TORONTO GLOBE

Unquestionably the palm goes to Wadsworth Provandie who last night gave an admirable portrayal of Rigolotto, his robust Baritone voice is particularly suited to the character he represented.

QUEBEC CHRONICLE

Provandie's voice is a marvelous Baritone of great power and dramatic quality, and he is an actor born. He brought to his tragically pathetic character of the Hunchback superior intelligence, breadth of imagination, and great histrionic power, in addition to his splendid musicianship. Last night's audience will not soon forget his masterful singing.

THE GREAT PADEREWSKI

calls Mrs. Provandie his granddaughter at the piano, in recognition of her remarkable ability and artistic interpretation.

PHILLIP HALE

of Boston Herald states: "Miss Tufts possesses a finely trained sense of artistic judgement. Her touch is agreeable and combines beauty and eloquence in every respect. A touch that is robust and yet not harsh. A tone that is warm and luminous, and with melodies clearly defined. Hers is the individuality that appreciates the value of poise and restraint, as well as exuberance and warmth of feeling. It is this command over her emotional and intellectual forces that mark her as indeed the 'pianist of today'."

There are singers and there are pianists, but we say without fear of contradiction, that the above artists are positively the greatest artists that have ever visited this valley, and this is YOUR opportunity to hear them.
