A Commercial College
FOR GUELPH.
THIS UNDERGRADUATE INSTITUTE was established in the City of Guelph, on the 1st September, 1883, and has since that time been steadily increasing in numbers and in the quality of its instruction. It is now open for the reception of students, and offers a course of instruction in the following branches:—Arithmetic, Algebra, Geometry, Trigonometry, Book-keeping, and the English Language. The course is completed in three years, and the students are prepared for the various professions and business concerns of the country. The college is situated in a commodious building, and is well supplied with books and apparatus. The faculty consists of some of the most distinguished scholars of the province. The college is open to students of all ages and of all nationalities. The fees are moderate, and the students are provided with board and lodging. The college is a valuable institution, and is well calculated to advance the interests of the community. 10/11/84
