BAIRD & GEORGE.
Sackville, Sept. 28th, 1881.

I HAVE ONE OF THE BEST
Stock of Boots and Shoes

In the place. Men's STRONG BOOTS I
make, the others are bought cheap and I
will sell the same cheap. Will take any
thing the farmer has for sale, would prefer
it to money.

JAMES R. AYER.

Call at Geo. E. Ford's and see the
display of new fashionable Ribbons, Flannels,
Velvets, Flowers, Feathers, Laces, Hats,
&c., &c.

Geo. E. Ford's is the place to buy your
Mantles and Dolmans, splendidly cut and
beautifully trimmed. Be sure and see them.

Be sure and see Geo. E. Ford's display of
new Millinery. Miss McCarthy has
just returned with a full stock of Millinery
and is prepared to receive all orders in
this line.

My Goods are purchased at Bottom
Prices and brought by water from Point du
Chene, considerable expense in truckage
being saved thereby, the benefit of
which will be given to customers favoring
me with a call. I would respectfully solicit
an inspection of my Stock, as I am
convinced that I will convince the most
skeptical that for Quality and Prices it
cannot be surpassed.

Wanted.—Park, Butter, Eggs, Poultry,
Feathers, Socks and Mitts, for which
the Highest Market Prices will be paid.

F. C. HARPER.
Cape Tormentine, Nov. 9, 1881.

Hurrah for Bayfield!

THE Subscribers respectfully call the
attention of their customers and the
public to their

Fall and Winter Stock.
Cashmeres in Cardinal, Black, Brown and
Blue, Vincennes and Lustrous in all colors,
leading colors, Costume Cloth,
Fan y Ulster Cloth, Mantle
Cloth, Serge Dress Goods
in Cardinal and Navy Blue,
All-Wool Flannels in all colors,
Trimming Straps and Velvets, Black
Crapes, Alpaca and Felt Skirts, Dress and
Mantle Buttons of Bone, Silk
Scarfs, Lace Collars, Promenade
Scarfs, Ladies' Socks and
Ulsters, Fur Trimming,
Kid Mitts and Gloves, Hand-
kerchiefs, Flowers and Feathers,
Fancy Prints, Lint Towels, Wool
Squares, Clouds, Corsets, Bleached and
Unbleached Cottons, Scotch and Ber-
lin Yarns, Andalusian Yarn, La-
dies' Belts, Turkey Tabling,
Printed Table Covers, &c.

A NEW SAW MILL (Watercours) is to
be put on the Beckwith place, Baie
Verte, by N. Beckwith, Esq., and
others. Logs are abundant. Sawing
is to be commenced early next month.

A NEW LUMBER FACTORY is being
built at Fraser's Cove, Pughwash, by
a Yankee firm. They are erecting
there large buildings and a wharf.
They expect to have next year 40
men selling.

THE WOODSTOCK FIRE.—The
Woodstock people will not need any
help, most of those burnt out being
comfortably off. The total loss is
about \$75,000 and the insurance about
\$60,000. Some had no insurance
whatsoever, while others' loss was
only partial.

FROM MINUDIE.—Eben Kerr
intends selling his stock and farming
utensils Thursday 17th. James Ba-
ker and Sylvanus Burke are expecting
a new thrasher from the United
States.—Job Seaman has lately pur-
chased a steam thrasher together with
a hay press from U. S.

The thrasher has thrashed and cleaned
one bushel barley in forty-five
seconds. He is now engaged in
preparing hay. Mr. Welch, of Boston,
having purchased four hundred tons
at \$10 per ton.—Mr. P. Vernon is
talking of opening a stone quarry
next season.—Mr. Rufus Seaman
has imported two sheep from U. S.

A coat of fifty-five dollars each.
D. J. Clarke intends opening a gen-
eral store here.—Mr. Jerome Le
Blanc, who lately opened a store, is
doing a large and increasing busi-
ness.

ONE HUNDRED THOUSAND, at the
Station, which I will sell cheap. A
man will be there every morning at ten
o'clock and will deliver them.

JAMES R. AYER.

Hides Wanted.
I WILL PAY 7 CENTS per lb.
for HIDES.
JAMES R. AYER.

Local and other Matters.

—A sanguinary warfare is being waged
between four native potentates on the
Coast. The slain are being buried.

—Several valuable sheep on the Govern-
ment Stock Farm, P. E. Island, have
recently been killed by dogs.

—The Canada Temperance Act was
voted on in Pictou County last week, and
carried by a large majority.

—Lefroy, the London and Brighton rail-
way murderer, has been sentenced to be
hanged on the 29th inst.

—The voting on the Scott Act in Wel-
land last week resulted in the defeat of
the Act by a large majority.

—A French veterinary surgeon has suc-
ceeded in separating the gangrened leg of
a cow, and replacing it by a wooden one.

—Twenty-two Nihilists are to be tried
at St. Petersburg this month. It is ex-
pected that seventeen will be condemned
to death.

—The King of Ashantee has killed 200
young girls for the purpose of having their
bodies used as mortar for the repair of the
State building.

—Telegraphic communication is ex-
pected to be had between Bridgewater and
Lansburg, N. S., by the first of De-
cember.

—Forty thousand dollars worth of shad
have been shipped to the United States
and England from Wolfville, N. S., during
the past week.—J. M. Smith.

—Messrs. D. R. & C. F. Eaton, Eaton,
ville, have connected their steam mill with
their shipyard and wharves by telephone,
distance two and one-half miles.

—A brakeman on the New Brunswick
Railway named Peter, who was driving an
engine on Saturday, and had both of his
legs crushed off, just above the ankles.

—A Professor Gunning, up in Michigan,
is lecturing on "After Man, What?" A
Lafayette lecturer, who was lecturing
yesterday to remark that it is "generally the
sharif."

—It is stated that the Government has
decided to transfer to Winnipeg the regis-
trating branch of the Dominion Land
Department, the survey branch remaining
at Ottawa.

—Another defalcation is reported in the
office of the Chief Clerk of the Dominion
Land Department. This time it only amounts to \$1,000.
The Chief Clerk, the Collector, has been
suspended. Next?

—The ex-Minister of Mines of New
South Wales, Mr. J. M. Smith, has been
elected a member of the Legislative As-
sembly of the colony in connection with
the disposal of money.

—The past season has witnessed un-
usually large additions to the population of
Canada by way of immigration. Forty-
three hundred and thirty-two persons, ac-
cording to the census, have come into Canada during that
period.

—A lamentable and fatal accident oc-
curred at Margate, on Saturday. While
Dr. Van Pelt, of the Dominion Land
Survey, was attempting to ford the
river, in company with his brother, he was
carried into deep water and was drowned.

—A meeting of the shareholders of the
Nova Scotia Cotton Mills Company was
called to authorize the directors to in-
crease the capital stock to \$400,000. The
meeting was held at the company's office,
and when the list closed there were many
others who desired to invest.

—Western Toronto has been visited by
a terribly disastrous typhoon, by which
thousands of houses have been blown
down, and the greatest suffering pre-
vailing.

—A two-year-old daughter of Angus
McGillivray, of South River, Antigonish,
has been missing from her home for over
a year. It is believed that she has been
in the neighborhood of the coast, and
has been seen by several persons.

—John Hall was found in an intoxicated
state in a ditch on the railway at Han-
ton on Friday. He died from exhaustion
and the coroner's jury returned a verdict
of "death by natural causes," and re-
commended that the body be buried.

—A Montreal breach promise suit, it
is shown, has been agreed upon by the
parties for marriage, and marked it in a
calendar of her day, and that he twice
suffered from the effects of the breach.
It is a month since. She caught him in
the act, and on the last occasion, and sought by a
re-
lease of the law to compel him to keep
the original promise.

—The Kentucky Chronicle says: "Col.
Lang," who won a record of 2.36 at the
late Montreal races, was bred by Mr.
J. H. Lang, of Lexington, Ky., and was
owned by "Gen. Knox," now owned
by Mr. Geo. Armstrong, of Victoria, B.C.

—The late Col. Lang has the latest
record of any stallion ever run in the
United States, and at present the fastest record
of any stallion in the Maritime Provinces.

—The death of Silas C. Moore, Esq.,
of Pictou, N. Y., a member of the Pictou
Recorder and Cottage Gardener,
which he sends free to all applicants.
The Pictou Recorder is a weekly paper,
and is published at the Pictou Recorder
office, 100 St. John's Street, Pictou, N. Y.

—Messrs. Luke Stewart & Co., Ship
Brokers, of Baltimore, write on 12th inst.,
as follows: "Our freight market has not
been so active this week as it was last
week, owing to advance in grain, consequently
we have few charters to report. For spot
tonnage we quote: grain, steam, nominal;
