

Children Cry for Fletcher's

# CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

## What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The weather turned slightly warmer last night and today there is a distant suggestion of spring time in the air. It is now seven weeks since the steady winter set in, an unusual period for the Niagara Peninsula.

The matinee and evening performances at the Grand Opera House of the Winnipeg Kiddies were largely patronized. The wholesome acting and singing of the little folk were thoroughly enjoyed.

The case of Wm. Richardson, who died at the Wentworth House of Refuge, at Dundas, is said by the medical men to be a definite case of the rare and dreaded disease, sleeping sickness. Dr. Rykert, of Dundas attended and had with him, Dr. F. B. Bowman, of Hamilton, for consultation. Deceased was only 28 years of age and was employed at the refuge.

Those who complain of the H. C. of L. will find food for thought in the statement made by two prominent wholesalers at the eighth annual convention of the Ontario Granite and Marble Dealers' Association, that quarrymen were demanding an increase of 25 cents per hour and would most certainly receive it; wages would jump from 75 cents to a dollar an hour after April 1st. Retail prices, which involve monuments, will be increased in proportion.

### COMB SAGE TEA INTO GRAY HAIR

Darkens Beautifully and Restores its Natural Color and Lustre at Once.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients a large bottle, at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.

Lincoln Military Chapter Daughters of the Empire will give a valentine ball in Queen's Hall on Monday night and the following ladies are to be the patronesses. Mrs. M. J. The Catholic Women's Guild held a charming tea in the Lyceum rooms Tuesday afternoon which was attended by a large number of ladies. The decorations were of a valentine order. Mrs. F. W. Martin, Mrs. Hodgson, Miss Ellen Phelan, Mrs. Cameron, Miss Marie Huppardvife, Miss Theresa Webster, Miss Sims, Mrs. Carthy and others assisted.

Mr. and Mrs. D. H. Huggins and Mr. and Mrs. Valentine Huggins and babe of Bomanville, narrowly escaped being asphyxiated, last Thursday morning. On arising at six that morning Mr. Valentine Huggins discovered the house filled with gas and all the family ill. Neighbors gave assistance and medical aid was summoned. Another half hour and it might have proved fatal. Mr. and Mrs. Huggins, Sr., have not yet fully recovered.

The death occurred at Niagara Falls, Ont., on Sunday of Mrs. Mary Rykman, aged 57 years. The funeral took place from her late residence, 3 McCrae street, via G.T.R. to Jordan Station at 1.36 p.m. proceeding to the Methodist church for service. Interment in Methodist church cemetery. Deceased leaves three daughters and three sons, Mrs. W. W. Gilmore and Mrs. Harry Kitchman of Hamilton, Mrs. W. A. Wilcox of Beamsville, Dalton, Curtis and Clarence at home, and one sister, Mrs. A. ### Senator Says Coterie of Moves to Displace Country—States Tism is Not Specific of Phase Free Instit

ST. CATHARINES, N. Y., Feb. 12.—Charges behind the announced plan of the American Federation of Labor to gain the election of a Congress and a president favorable to its policies, a "sinister movement of a small coterie of labor leaders, who have grown powerful by the contributions they have levied upon labor" to set up a "government within a government," were made here last night by United States Senator Miles Drexler of Washington in an address before the Utica Republican

The farmers and laboring men of America," he asserted, "have in every crisis been the great bulwark of free institutions, and they will not follow the mistaken leadership which would place the government under the despotic control of a 'government within the government.'"

"Ruled by Few Leaders"

"This government within the government" is not ruled by many, but is an autocracy of a few men who would not only impose their will upon labor itself, but would control it, not only by the ballot, but by strikes and starvation of the people of the United States. It is as obnoxious as the 'invisible government' against which the people protested in 1912. There is no question of the right of the American Federation of Labor to gain control of Congress and of the President by the use of the ballot box, if it can do so in accordance with the programme just issued. It would be an unday for the United States and that of all for labor itself, if any man in this nation, whether employer or employees in industry, capital or labor, should succeed in any such program; but that is one of the perils which the nation must face as the price of free government.

Mr. Gompers curses Congress, continued, "but is not specific in his complaints. On the contrary, the announcement stated that 'all of the essential legislation in labor's bill of grievances of 1906 was enacted. This proclamation states that the 'free in-

Arrest Made in Co With Beams Girl is

Dennis Macion, a Beamsville man, was arrested yesterday afternoon by High Constable Boyle in connection with the assault on 16 year old Ida Moore near Beamsville the previous night. He was remanded by the Beamsville Magistrate and will be taken back there for his preliminary trial as soon as the girl is able to get to court to testify. He is now in jail here.

The unfortunate girl is still suffering from her terrible treatment. She was savagely beaten over the head with the fence picket found by her beside her, an attack giving evidence that a maniac had been her assailant. She kept to her bed yesterday and will be under the doctor's care for some time. High Constable Boyle says the girl is in a very serious condition.

Macion who is an unmarried man about 28, stoutly denies all con-
