Put Questions To Mr. Rollo

MEMBERS ASK HIM TO EXPLAIN HIS STATEMENTS AT LONDON CONVENTION

TORONTO, April 7.—Echoes of the London Labor Conference sounded in the Legislature yesterday, but died down after Hon. Walter Rollo had answered a series of questions from members of the opposite side of the House. The Minister of Labor was more at home in his replies than was when worried about the One Union some days ago.
 The Premier gave his Government its sibi on the reported London remarks of his Labor Minister by stating that the Minister was "speaking as a private citizen, without the knowledge, approval or consent of the Government."
 R. L. Brackin (West Kent) brought the matter to the attention of the House by reading a report which stated that Mr. Rollo said that the Labor group was the only group in the House heartily in favor of the Mothers' Pensions Bill.

Premier Drury explained that personally he was heartily in favor of the bill and thought the Farmer members were.
 Hon. G. Howard Ferguson wanted to know if the bill was discussed clause by clause, as it had not yet been discussed in the House. The Premier didn't know, and Mr. Rollo said that it was not. He saw nothing to warrant any suggestion that it was. Mr. Dewar pressed still further into the matter, and wanted to know if there was a draft of the bill at the convention or one of the Minimum Wage Bill. He was informed that there was no draft. Mr. Rollo explained that a few weeks ago a draft of the bill had been published in all the papers, and that it was from that published report that the convention got its information.
 P. Heenan (Kenora) caused laughter when he denied that he had made the remark credited to him that the "Labor group was the brains of the Government." He didn't even think so, he declared.

Mr. Raney stated this morning, in replying to a neditorial suggestion in the Toronto Globe, that Mr. Porter and Mr. Jolly, who had squered for their public spirit, should be taken care of, that applications had been received from both gentlemen for positions in the service and were being "sympathetically considered."

DRINK HOT WATER BEFORE BREAKFAST

Says you really feel clean, sweet and fresh inside, and are seldom ill.

If you are accustomed to wake up with coated tongue, foul breath or a dull headache; or if your meals sour and ferment, you have a real surprise awaiting you.
 To-morrow morning, immediately upon arising, drink a glass of hot water with a teaspoonful of limestone phosphate in it. This is intended to first neutralize and then wash out of your stomach, liver, kidneys and thirty feet of intestines all the indigestible waste, poisons, sour bile and toxins, thus cleaning, sweetening and purifying the entire alimentary canal.
 Those subject to headaches, backaches, bilious attacks, constipation or stomach trouble, are urged to get a quarter pound of limestone phosphate from the drug store and begin enjoying this morning inside bath.
 Just as hot water and soap cleanse, purify and freshen the skin, so hot water and a teaspoonful of limestone phosphate act on the stomach, liver, kidneys and bowels. Limestone phosphate is an inexpensive white powder and almost tasteless.

Mountain Grown Orange Pekoes are Best

Orange Pekoe Teas are plucked from every tea bush.

So there are poor Orange Pekoes and those of fine quality. Low price and high price.

The best Orange Pekoes are plucked from tea bushes grown from selected seed in the carefully cultivated soil of mountain side gardens, and gathered at a certain time of the year when the flavor is most fully developed in the leaves.

Naturally these command the highest price.

They are worth it, as you will agree when you taste their exquisite flavor in our Red Rose Orange Pekoe Tea---the new and higher priced tea for those who are willing to pay a little extra price for a tea of extra quality.

There are numerous packages of Orange Pekoe teas on the market. See that the one you buy has the name---Red Rose Orange Pekoe Tea---on our waxed board carton.

Mountain grown Orange Pekoes from the best plantations. A tea of extra quality at a little extra price.

Our well-known Red Rose package, the sale of which is increasing faster than ever before. Red Rose consists chiefly of Assam teas, the richest and strongest in the world and therefore very economical. (The Red Rose Orange Pekoe package is a little different in design.)
