#### Great Gun for Protection of Panama Canal.

Washington; July 14.-When its fully of course. Caruso let into the ech-locking device has been per- secret beforehand, accepted her in great 16-inch gun, the biggest piece closed and locked the piano and slipready for service on the Panama can-

Some idea may be obtained of the pany the singer, and tried to open remendous power of this gun, des- the piano. The key was nowhere to tined to protect the Pacific entrance be found. "Send for a locksmith." to the Panama canal, by the fact that said Caruso, "and break open the it is fifty feet long, weighs 142 tons piano." She vetoed this course and and fires a projectile about six feet apologized to everyone, including of it, but it does seem as if we might long. The projectile itself weighs a Caruso, for the mysterious mishap. ton and is discharged by 665 pounds As he left the house Caruso quietly of powder. It requires eight men to carry the powder charge.

This gun has a maximum range of from 22 to 23 miles. The elevation How to Grow permitted by its carriage will enable the gun to fire a projectile about 11 niles across the Pacific ocean. It has sufficient power, theoretically, to pierce two feet of the best armor at the muzzle. At 11 miles the gun is calculated to pierce a 12-inch armor plate, or any side armor affoat. Army ordnance officials believe this gun will be a tremendous instrument of peace, when it is finally in position

#### Toasts.

By GEORGE FITCH, Author of "At Good Old Siwash."

No one knows why an after-dinner speech is called a toast unless it is because of its dryness. The chief object of a toast is to fill another place on the program. Originally a toast was about a dozen words long. Nowadays it takes fifteen minutes to get through with one. In some ways times have not improved.

sponding he still does not know and no one else has found out either.

The second paragraph of a toast begins: "That reminds me of a story." all consist of the same things differstories he can keep changing them twenty-five toasts. Old stories are better because the audience knows them and begins laughing earlier in

The excellence of a toast depends ipon its brevity. Many a man has made life-long friends by delivering idea of coaxing them to roar-tune- ed by juries as extenuating circum-

fected at Watervliet arsennal, the vitation, and, unseen by anyone, queting in this country, more than a ordnance in the world, which has ned the key into his pocket. The night: If all these toasts were colbeen shipped from Sandy Hook, inevitable happened. She asked lected together in a great volume as proving grounds, will be practically Caruso to sing he was delighted to big as a box car, the amount of wisoblige.
