## Own Your Own Home for Less Than You are Paying Rent.

For \$600 cash down we build a nice plain 6 room \$1,800 house and give 10 years to pay the \$1,200 balance. Payments in principal and interest will average \$14.40 per month for the 10 years, when payments cease and buyers own their own homes.

We build up to \$3,500 house on this plan. We accept \$900 on a \$2,700 house; the monthly payments for 10 years to own this averages \$21.60 per month.

The actual rent on the \$1,800 house is \$4.40 per month, as \$10.00 per month or \$120 per year applies to paying the principal.

On the \$2,700 house, payments on principal is \$15.00 per month or \$180 per year, rent therefore only \$6.60 per month. See the \$2,500 bungalow we are now erect-
