INDIA & CHINA TEA COY.

Home Depot at London and Liverpool.
Canada Depot, 23 Hospital Street, Montreal.

THE India and China Tea Company beg to call the attention of the Canadian community to their directly imported Teas, which for purity and excellence will be found unequalled.

The Company have made arrangements whereby they have secured the entire production of some of the best plantations in Assam and on the slopes of the Himalayas, and, by a judicious blending of these magnificent Teas with the best varieties of China produce, they are enabled to offer to the public Teas of quality and flavour hitherto unknown to the general consumer. These Teas are in high favour in England and France, and a single trial will prove their superiority.

The Company supply two qualities only, either Black, Green or Mixed. Their Black Teas will be found to possess great brightness and flavour, combined with colour and strength, and to be entirely different to the fat and rapid article usually sold as Black Tea; while their Green Teas are altogether free from the deleterious mineral powder so commonly used for coloring the leaf.

PRICES: Rich, full-flavoured Tea, for family use, a real genuine and fine article 70 cents per lb. Finest quality procurable, one dollar per lb.

The above can be had either Black, Green or Mixed.

To be had in packets of Quarter Pound, Half Pound, One Pound, and upwards, or in tin canisters of 5 lbs. and upwards from the Company's Agents in all the chief towns of Canada. All the packages are lined with tin foil paper, and the Tea will consequently retain its flavour any length of time.

OSWEGO.—All packages have the Company's trade-mark, without which none are genuine.
