

FRANCOIS TOWNSHIP COUNCIL.
The Municipal Council of the Township of Franco, held a special meeting at the Centre Inn, on Monday the 18th inst., on a call from the Clerk, who was unable to be present owing to severe illness. Mr. Royce, the Township Treasurer, kindly acting for him as Clerk pro tem. The Reeve stated the object of the meeting: That owing to the continued illness of Mr. Black, the Assessor, that gentleman had been under the necessity of resigning his office, and a letter from him to that effect having been read by the Reeve, the Council, by a resolution expressive of their regret at losing Mr. Black's services, accepted his resignation and directed it to be engrossed and recorded. On motion duly made and seconded, a By-law was introduced to divide the Township into two Assessment Divisions and to appoint an Assessor for each. The By-law passed after the usual number of readings, Mr. John Black being appointed Assessor for the South Division, and Mr. William Rea, for the North Division. The Council then adjourned. J. A. DAVIDSON T.P.C.

A man named Maynes was frozen to death near Barrie on Thursday night.

BREAKFAST—EPP'S COCOA—GRATEFUL AND COMFORTING.—By a thorough knowledge of the nature of the food which governs the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor bills. *Civil Service Gazette.* Made simply with boiling water or milk. Each packet is labelled "Epps's Cocoa & Co., Homoeopathic Chemists, London." Also, makers of Epps's Milky Cocoa (Cocoa and Condensed Milk).

A large volume would not contain the mass of testimony which has accumulated in favor of Dr. Wistar's Balsam of Wild Cherry as a safe, efficient and reliable remedy in curing colds, and pulmonary diseases. Many of the cures are truly wonderful.

I strongly recommend the use of Fellows' Compound Syrup of Hypophosphites to all who suffer in any way from disease of the weakness of the Lungs, Bronchial Tubes, or from general debility. J. W. SCOTT, M. D., Georgetown, N. B.

Pills which contain antimony, quinine and calomel, should be avoided, as severe griping pains would be their only result. The safest, surest, and best pills are Parson's Purgative or Anti-Bilious Pills.

More than forty years have elapsed since Johnson's Anodyne Liniment was first invented, during which time hundreds of thousands have been benefited by its use. Probably no article ever became so universally popular with all classes as Johnson's Anodyne Liniment.

FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES.

All life-endowed bodies, whether they be plants, birds, reptiles, insects, or even Zoophytes, and subjects of the Vegetable Kingdom are governed by vital force, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is in itself a boon to the world.

Modern Chemistry has ascertained the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened. This then is substantially the basis on which Fellows' Hypophosphites is built, its direct action is upon the Blood, the Brain and Nervous System, and the Muscles, Strengthening the Nerves, it causes the rapid distribution of Vitalized Blood in the Muscular Organs of the Body.

Restoring the Stomach Heart and Liver, Strengthening the Action of the Stomach and Bowels, and enabling the Lungs to be fully inflated with Oxygen.

It is adapted for all cases of Weakness and Emaciation, whether arising from a Sedentary Life, a malarial climate, from fever, or debility from any cause, and is efficacious in Pulmonary Consumption, many confirmed cases having been cured and all benefited, where its use has been continued over a fortnight.

In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails.

For Nervous Debility it stands unrivalled, and may be used with confidence in all cases.

As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to look for Fellows' Syrup, and take no other.

SOLD BY APOTHECARIES PRICE, \$1.50. SIX FOR \$7.50.

JAMES I. FELLOWS Chemist, 47 Water St. John N. B.

HAVE YOU A COLIC? HAVE YOU A COUGH? HAVE YOU BRONCHITIS? HAVE YOU THE ASTHMA? HAVE YOU ANY LUNG DIFFICULTY, OR WEAKNESS IN YOUR THROAT?

READ THE FOLLOWING: Mrs. Amy Kennedy, of Painesville, Ohio, says: I have suffered with Asthma 24 years, have been detoured by many Physicians, as soon as I took Dr. Harris' Lung Balsam, I found relief, and I express the gratitude I feel for the benefit your Allan's Lung Balsam has been to me.

Dr. Harris, of Middlebury, Vermont, says: "I had been troubled with Bronchitis for two years so affecting the organs of speech that I could not speak about for six weeks. I had with it a severe cough, and cold night sweats, I took two bottles of Allan's Lung Balsam, and an entirely cured."

Dr. Post, of Burwell, Ont., says: I have been troubled with a cough at times very severe for years past. I have found Allan's Lung Balsam to relieve my cough more readily than any other cough medicine I have ever tried. My wife also used it with the most satisfactory results. The Balsam is sold by all druggists. Price 25¢ per bottle. Parry Davis & Son
