

Presidential Election---Grant Re-elected.

The election for President of the United States took place on Tuesday. The returns are not yet all in, but sufficient have been received to put it beyond a doubt that Gen. Grant has been re-elected by a good majority over Mr. Greeley.

Guelph General Hospital.

The report of the meeting for the establishment of a General Hospital in Guelph will be found in another column. It was eminently satisfactory and unanimous in support of the object for which it was held. A sufficient number of subscribers have already been obtained to warrant the promoters in taking further steps for the appointment of permanent Directors, to whom will be entrusted the work of starting the Hospital. Of course much remains yet to be done, but the greatest difficulty has already been overcome, and we have every confidence that in the course of a few months the people of this town will have the satisfaction of seeing an Hospital in full operation in their midst.

Mr. Blake on Mr. Mowat.

In the course of his able speech, delivered at Cornwall on Thursday last, Mr Blake in referring to his own retirement from the Ontario Government, took occasion to express his unqualified approbation of the step Mr Mowat had taken in accepting office, and also bore testimony to his high character and sterling integrity.

On his return to the country, it became his duty to resign his office, and he was requested by His Excellency the Lieut. Governor to advise him as to whom he should call in to form an Administration. With the very greatest satisfaction he now called upon them to join in the congratulations which had been offered from all parts of the country, and by all politicians not blinded by party prejudices, upon the choice which His Excellency had made. (Cheers.) If there was anything for which as a mere party leader, distinct from a legislator, he conceived he had some slight claim upon the confidence of his friends, it was for the sake of the humble part he had played in giving them such a leader as the gentleman now discharging the duties of Premier of the Province---the Hon Mr Mowat. (Cheers.) It was not at all that he had not colleagues able to fill a Cabinet, and whom their companions would have followed with confidence; but they had all agreed cheerfully to the proposition that Mr Mowat, from the high position he had formerly taken in Parliament, from his eminent personal and political integrity from one end of the country to the other, was the man, if he could be obtained, to lead the Reform party of Ontario. (Renewed cheers.) Some newspapers had called his step a "descent from the bench" to be first Minister of the Province of Ontario, but he considered that the first Minister of Ontario stood in the first position in Ontario. Judges administered the law, and did justice, but could they confound such a position with the office of one who was the maker of the law? not merely one of eighty-two who united in passing the laws, but one who matured the measures and guided the policy of the Legislature? (Cheers.) It was a position any man might be proud of, and to take it was not a descent from any other office, however high. They were grateful to his friend Mr. Mowat for having acceded to the request which they had made to him. He had important questions to take charge of---questions which required not merely great diligence and attention, but great statesmanship. No man could satisfactorily lead a party, and carry out these measures in the way in which they ought to be carried out, unless he was sustained as his friend would be---as he himself was proud to say he had been---by the people of the country.

November Fair.

We scarcely ever recollect a November Fair so remarkable at one and the same time for extreme dulness of prices and exceeding impoverished condition of cattle offered for sale. In the latter respect the unexampled drought of the preceding season has played a most important part, and the consequence we see to-day in the leanness of the cattle and the large numbers in which they are offered for sale. Very much the same state of things exist throughout all the feeding districts in the Province, and our principal Provincial markets are therefore glutted with an inferior description of beef. Buyers were to-day very shy in their purchases, the condition of the cattle forbidding anything like sale by weight. Buyers did not calculate to give more than from \$3.00 to \$3.50 per hundred pounds. A few transactions were effected by farmers anxious to fill vacant stalls in their feeding stables, but such cases were exceptionally few, feed being in far too limited supply on most farms to carry the ordinary quantity of stock through the winter. We should imagine, in spite of this threatened famine, most of the stock on the ground to-day will require to return to their old quarters for another month, unless meanwhile disposed of. The date of the Christmas Fat Cattle Show has not yet been fixed, but will likely be so in the course of the ensuing week. Isaac Simpson sold 7 head at \$40 each; Gilbert Ames bought 4 head at \$26 each; T. McCrae sold 1 Horse for \$180; Arch'd. Watson sold one cow for \$35; John Gore sold 1 Galloway cow for \$42.50; H. McNaughton 2 cows for \$55; W. Swanston bought from John Henderson and Geo. Black 4 two year olds for \$15 each; G. Swanston bought 2 two year olds from John Atchison for \$19 each, and 1 heifer 2 years old from Joseph Gavin for \$24; James Napper sold a cow for \$25; W. Kinneer bought 8 head at \$25 each; Chas. Hefferman sold 7 head for \$25 each; W. Friendship sold a Leicester Ram Lamb for \$10; John Carter sold 27 sheep for \$5 each; H. H. Swinford bought 3 steers from John West for \$85; F. H. McBride sold 2 steers for \$31.75; S. McEwen sold one steer for \$28; Major Heath 8 head for \$126.

Harrison Fair.

Was large but dull, prices low, and parties selling could not be induced to tell what they got. A number of cattle not intended to be kept over winter were disposed of, and several yokes of oxen were purchased at about \$100. Business in stores has been very brisk this fall. The Toronto, Grey & Bruce Railway Company have leased rooms and are about to establish offices in this village. Hallowe'en passed by with the usual temporary exchange of light moveables.

AMONG our Merchants in Guelph there are none perhaps so noted for thorough business enterprise as the celebrated Hardware Merchant, Mr Jno. Horsman. Every season finds him ready for the particular wants of the time, with the best articles of what ever kind are required, and at the lowest possible prices. Now, at the approach of winter, Coal Oil the clearest, Lamps the finest, Chimneys, Wicks and Burners the best; Coal hard and Coal soft, Fire Grates, Fire Irons, Coal Scuttles, Cinder Sifters, Lanterns, Floor Oil-Cloth, Mats, &c. Tea and Coffee Pots, Cruet Stands, Wringers, Mangles, Scrubbing Brushes, Shoe Brushes, Stove Brushes, Smoothing and Fluting Irons, and every Housekeeper's need can be supplied; and every one knows with what confidence they can go or send to Mr. Horsman's, and depend on getting the best goods at the lowest prices. dw

THE GARDNER SEWING MACHINE

Is superior to any now in the Market.

VICTORIOUS

HAVING been examined and tried by the most skilful mechanics and best judges the country can produce, and by them awarded prizes at all the principal Exhibitions held throughout the Dominion during the present year; and although the leading machines were arrayed against it, the Gardner Patent has been declared

Over all competitors, upon every test, and now stands foremost in the rank of Sewers, and has been awarded Twenty-two prizes for 1872.

This beautiful specimen of mechanical ability is a purely Canadian invention, surpassing in simplicity, durability and usefulness any other Sewing Machine now in the Market, whether of Canadian, American, or English manufacture.

It will Hem, Cord, Braid, Tuck, Gather, Quilt, Fell, and for Tailoring, Dressmaking and Family Use cannot be surpassed, using all kinds of Thread.

Send for Circulars and Samples to Mr. Hunter, Wyndham-st., Guelph; or to Wm. S. Lumgair, Agent, Wellington Hotel, Guelph.

Intending purchasers should not be misled by unscrupulous agents of other companies, who keep machines that do not sell in a damaged state, making capital for themselves. A fair trial is given previous to purchasing. Guelph, Nov. 4th, 1872. 3mdaw
