The most important thing in life
Is what the neighbors say.
The thing that stops or starts up strife
Is what the neighbors say.
No matter what the case may be,
Just look around, and you will see
The thing that governs you and me
Is what the neighbors say.

Your wife-thinks, when she gets a dress,
What will the neighbors say?
She almost rests her happiness
On what the neighbors say.
The girl with a diamond ring,

Thinks, as she gives her head a fling,
What will the neighbors say?

You know yourself how much you care. For what the neighbors say. Sometimes the hardest thing to bear Is what the neighbors say. You may pretend that you don't mind. But still you wince when they're unkil The chief thing in this life, you'll find, I swhat the neighbors say.
