### PEACE NOT PATCHED UP ONE

#### Anglo-Japanese Alliance Provides Against Any Fresh Conflicts.

London, Aug. 31. - M. Koretiyo Takahashi, the financial commissioner of Japan, in an interview today, said: The Japanese Government in prosecuting the war, never had in mind the ive and its explosion set off four tons indemnity. The Government had prepared itself for any emergency, and at the present moment there is no less than \$175,000,000 untouched in London, ber. His popularity had grown with his years, and many feeling tributes Little Woodstock Girl Killed Before the issue of a new loan. Had peace not been concluded, my Government would have raised an internal loan of \$100,000,000 for the further prosecution of the war. This was the plan of the Government at the time the conference met. I consider that the present resources of Japan are ample for clearing up the war and meeting the incidental expenses thereby involved. So if Japan has in view a new plan for the issue of a fresh loan, it will be for the purpose of converting a previous loan bearing higher interest.

such intention.' When questioned regarding the conlitions of peace, M. Takahashi con-dinued: "All far-seeing Japanese will hail with satisfaction the conclusion of peace, although there must be a feeling of general regret that Russia did Ottawa, Aug. 31. — Customs receipts in recognizing that Japan's terms were for the Dominion for the month of not only reasonable, but very moder-August show an increase of \$352,118 ate. In the circumstances, all Japanese August snow an increase of \$552,118 ate. In the circumstances, an Japanese over the same month last year. The who take a broad-minded view of the receipts for the month ending today situation must recognize that the deciwere \$4,213,615, compared with \$3,860,887 sion of their Emperor was the wisest for August last year. The increase in possible. Had the Government insisted war would have continued. The objects or which this war was waged have aleady been more than achieved, and o continue the war for a pecuniary consideration would not have been worthy of the Japanese nation. I do not share the view that this is a patched-up peace, or that fresh conlicts are likely to ensue. Such a contingency has been amply provided for by the new Anglo-Japanese alliance."
