Highest Quality Hair Goods at Lowest Prices

By doing our own importing direct from Europe, we are enabled to sell the finest qualities of hair at prices absolutely out of the question for hair goods stores that operate on a small scale, and are compelled to buy from importers. We buy the hair by the pound and have it made up under the personal direction of experts in our own factory. This cuts off another profit, and means that our customers get the finest hair just that much cheaper.

Prices of fine Switches begin at \$3, and run upward to \$25. CLUSTER PUFFS are in high favor at present. We show a beautiful assortment of these at \$2.25 to \$9.50 a

We have also a splendid selection of fine Braids at prices ranging from \$1 95 to \$12 50. In our parlors we make a specialty

of Hairdressing, Shampooing, Children's Hair Bobbing, Scalp Treatment, Manicuring and Facial Massage by the most competent operators. Our Toupees are the best in the world. Ask to see them.
