WALL STREET.

New York April 23—Wall Street, 10:30 a.m.—Reactionary tendencies were again dominant at the opening of today's market, leading stocks as well as specialties moving contrarily United States Steel, Amalgamated Copper and Smelting were fractionally lower, while Reading and some shares of less prominence madealists, exists. Tobaccar Tobaccar, Tobaccar Tobaccar, To ing and some shares of less prominence made slight gains. American Tobacco made an abrupt decline of 8 points, and Missouri, Kansas and Texas, preferred, lost 4. Trading became more active with increasing irregularity before the end of the half hour, with extensive dealings in local tractions, which rose and fell feverishly.

Noon.—Trading during the morning fell somewhat under yesterday's moderate total, with further selling of Steel, Reading and other favorites. Such offerings were well taken, however, in asmuch as prices recovered. Speculation extended more generally to the low priced coppers, with renewed activity in local transactions at higher quotations. There was some confusion of
