RHEUMATISM A MYSTERY

Some diseases give immunity from nother attack, but rheumatism works just the other way. Every attack of rheumatism invites another; worse than that, it reduces the body's power so that each attack is worse than the one before.

If any disease needs attention early

It is rheumatism, but there is scarce-tion on the act previous to the country any disease more difficult to treat cil meeting on Monday night. successfully. When a medicine does relieve rheumatism, therefore, it is worthy of special notice. Medical authorities agree that the blood becomes thin with alarming rapidity as rheumatism develops. THIS is the era of the prevention 1 of disease and sensible people do not wait until sickness has actually come before remedying the trouble. The crowded hospitals everywhere are sad examples of the results of neglect. Be especially watchful of children. Restlessness, lack of normal appetite and feverishness usually indicate constipation. Stop it that instant with a spoonful of Dr. Caldwell's Laxative Syrup Pepsin and you will have prevented real sickness. Mrs. C. S. Bungay, 19 Chatham Av., Halifax, N. S. and Mrs. W. F. Hunter, Biggar, Sask., seldom have illness in the family because of their prompt use of Laxative Syrup Pepsin.

A Great Family Laxative It may be difficult to decide just what medicine to use out of the many that are offered, but it would not be if you knew the facts. There are laxatives, catharties, purgatives and physics, and they vary in
