The pronunciation of "tuberces" has been a subject of discussion in an English paper, and the decision that the word is a trivyliable has been at last unantinously reached. The flower is a lifty and the name is from the French "tubercuss," called from the tuberlike build of the plant. Shelley pronunces the word in three syllables. A Case for Custingation. A tough steak or custing to synthe-on cookery, can be used a scoutship tar-der by unstigation. In this case it does
