Bonds and Debentures on commission. General Financial Indiffusion. Stocks. Stoc

The continued absorption of bonds is another indication of prosperity of country which, must be reflected in the stock market. The decime in Kansas and Texas was said to be due to selling by foreign party on revival of rumor that Amsterdam committee will take steps to have a receiver appointed. Commission houses wrote their continuers last night that reaction was healthy one and advise purchases of stocks.

ROYAL MAIL STEAMERS. New York to Liverpool every Wednesday.

These steamers, although collectively the FASTEST FLERT crossing the Atlanta, make no attempt at competitive passage, confort and safety being paramount to all ther considerations. They are fitted through with electric light, and their reputation for table, yentlation and discipline is of the very highest order.

4 ADELAIDE WEST

A FEW CHOICE LOTS, hessifully situated, are placed in my hands for sale. The supp of good lots is limited on account of the situation of the town. The town has almost unlimite advantages in the way of position, water power, railway and waterway accommodation as mineral resources. The tide of Western commerce, diverted now in that direction, has brough its unsurpassed advantages to notice, and the place has doubled in population in six moints an official of the C.P.R. and at a basquet there that the C.P.R. shops and roun a buse no being built would be the largest on the whole C.P.R. system.
