MOTHER

Lactated Food Will Make Your Baby Bright, Strong and Happy.

Why is your darling baby so weak and puny, so cross and peevish? You say you cannot tell why, and you know of no good reason why it should be so. Let no good reason why it should be so. Let us, in a few words, tell you where the trouble arises. Your baby, dear mother, is not receiving a perfect, pure and nourishing food; its cigestion is imperfect, its stomach is weak, and it cannot rest and sleep well.

If you were feeding your treasure daily on over Lectated Food, what a great whether the content of the conte on pure Lactated Food, what a wond-rous change you would see in baby! No ill-tempered babies exist where Lactated

Food is used; no peevishiess is observed, no crying for hours at a time, when nature's true food is regularly used from nature's true food is regularly used from day to day.

There is danger, dear mother, if you neglect to use the only food fitted for infantile nourishment. If you are not fully convinced about the superiority of Lactated Food, get your physician's opinionat once; he knows that the great food is a wonderful life-saver.
