**Our Leading Premium.**

TO BEE-KEEPERS.—A beautiful virgin queen, for delivery in the spring of 1890 will form the leading premium in this department of the CANADIAN BEE JOURNAL AND POULTRY WEEKLY. The price of these when sold singly is 60 cents, but we will send one by mail, prepaid, to all those who send direct to this office \$1.00, as a years subscription either new, or for a renewal of one full year. We also give choice of other premiums, and subscribers are at liberty to choose which they will have.

**EDITORIAL.**

IN looking through our note book, we find a memorandum of a gigantic yield, which was related to us, at the late Industrial fair, at Toronto. The story as we have it is as follows.—A beekeeper in North Orillia township, Uhtoff P. O., (the name of whom we did not obtain) bought one colony last fall. From this colony he increased to 15, and took 600 pounds of extracted honey. According to the story, all had sufficient stores for wintering with one exception. The exception lacked about ten pounds. Mr. John McKimmie, of Toronto, is our informant and he received the statement from Mr. D. Byers, of Markham, who we understand proved the story with his eyes. It seems rather too much to believe all at once, does it not?
