The best Cough Medicine we know of is Allen's Lung Balsam. See adv.

THE CHEAPEST AND BEST. On account of its purity and concentrated strength and great power over disease, Burdock Blood Purifiers is the cheapest and best blood cleansing tonic known for all disordered conditions of blood, liver and kidneys.

In the new Mason & Hamlin Upright Pianos the strings are held by screws and secured directly to the iron plate, each string being held by a separate screw. In pianos generally the strings are held by the friction of wrest-pins set in wood. The results of the Mason & Hamlin improvement are remarkable purity of tone (resulting in part from the easy method of tuning the three strings belonging to each tone, exactly together), with much less liability of getting out of tune or of being affected by climatic changes. This improvement has been pronounced the greatest made in Upright Pianos for half a century.—Boston Journal.

CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma, and all Thoracic Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, he will be free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. Noves, 149 Power's Block, Rochester, N. Y.

ADVICE TO MOTHERS.—Mrs. Winslow's SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, loosens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for flatulency, whether arising from teething or other causes. Twenty-five cents a bottle.

A HOME DRUGGIST TESTIFIES.

Popularity at home is not always the best test of merit, but we point proudly to the fact that no other medicine has won for itself such universal approbation in its own city, state, and country, and among all people, as

Ayer's Sarsaparilla.

The following letter from one of our best-known Massachusetts Druggists should be of interest to every sufferer:—

RHEUMATISM. "Eight years ago I had an attack of Rheumatism, so severe that I could not move from the bed, or dress, without help. I tried several remedies without much if any relief, until I took AYER'S SARSAPARILLA, by the use of two bottles of which I was completely cured. I have sold large quantities of your SARSAPARILLA, and it still retains its wonderful popularity. The many notable cures it has effected in this vicinity convince me that it is the best blood medicine ever offered to the public."
E. F. HARRIS.
Silver St., Buckland, Mass., May 13, 1882.

SALT RHEUM. GEORGE ANDREWS, overseer in the Lowell Carpet Corporation, was for over twenty years before his removal to Lowell afflicted with Salt Rheum in its worst form. His ulcerations actually covered more than half the surface of his body and limbs. He was entirely cured by AYER'S SARSAPARILLA. See certificate in Ayer's Almanac for 1883.

By their action on these organs, AYER'S PILLS divert the blood from the brain, and relieve and cure all forms of Congestive and Nervous Headache, Bilious Headache, and Sick Headache; and by keeping the bowels free, and preserving the system in a healthful condition, they insure immunity from future attacks.
