

Any person who visits the Advertising Agency of Lord & Thomas, McCormick Block, will not doubt that they are transacting an immense business with the newspapers of the country. A thorough knowledge of their business, coupled with energy and a liberal use of their own medicine, has placed them in the front rank of advertising agencies in the United States.

"We will not state the exact amount, but we will say that during the past few weeks they have closed contracts which will aggregate hundreds of thousands of dollars, and this business has been secured in competition with the Eastern agencies, thus demonstrating their claim of possessing unequalled "facilities."

"Their business offices are veritable hives of industry, every member of their efficient corps of employes being furnished with work enough to develop their working energies. We think this firm might well adopt as their motto "Courtesy and Energy." The *Herald* congratulates them on their merited success.—*Chicago Herald*, May 10.

Commencing May 15th and continuing until October 1st, round trip tourist tickets, good going fifteen days from date of sale and good returning until October 31st. Can be purchased at very low rates, to Denver, Pueblo, Colorado Springs, and other Colorado Tourist Points, via the BURLINGTON ROUTE (C. R. & Q. R. R.) This famous line is the only one extending from Chicago, Peoria or St. Louis, direct to Denver, and the only one running through trains without change every day in the year between Chicago and Denver. In addition to above trains which run via Pacific Junction it also runs over its own line, through daily trains between Chicago, Peoria, Kansas City and Atchison, and through daily trains between Kansas City, Atchison and Denver, thereby enabling it to offer the tourist the option of purchasing tickets by a greater variety of routes than any other line. Remember these facts, and when ready to start call upon any railroad ticket agent in the United States or Canada for tickets, rates and detailed information, or address PERCEVAL LOWELL, General Passenger Agent, Chicago.
