## ENTOMOLOGICAL SOCIETY OF ONTARIO.

The fortieth annual meeting of the Society was held at Ottawa on the 3rd and 4th of September. On the former day a meeting of the Council for the transaction of business was held in the morning; in the afternoon reports were read from the various Branches, Sections and Officers of the Society, as well as several papers of an interesting character. In the evening a public meeting was held in the Assembly Hall of the Normal School, at which the President, Professor Lochhead, read his annual address. He was followed by Dr. L. O. Howard, of Washington, United States Entomologist, who gave a very clear and most interesting account of the transmission of yellow fever by mosquitoes. The second day was occupied with the reading and discussion of papers, the election of officers and the examination of a number of specimens brought by the members. A full account of the proceedings will be given in the Annual Report of the Society to the Legislature of Ontario.

The following were elected officers for the ensuing year :
