

TOM, at the club (wearily)—“Another conquest, Arthur. I do wish the girls wouldn't fall in love with me so much.”

ARTHUR—“Why the deuce don't you keep away from them?”

TOM—“Good gracious, old fel, the wemedy is worse than the disease, don't you know.”—*Washington Critic.*

Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy FREE to any of your readers who have consumption, if they will send me their Express and P.O. address.

THE Cyclone has the whooping-cough and is fly enough to know that every time he coughs it gives his mother a pain around the heart. The other day she was playing the hose in front of the house, and, of course, the Cyclone wanted his innings at it.

“But I want to, mamma,” he said, after being refused.

“Well, you can't. I don't want you to get wet.”

“If you don't let me, I'll cough,” was his final shot, but even that didn't go.—*Philadelphia Call.*

CATARRH.

CATARRHAL DEAFNESS AND HAY FEVER—
A NEW TREATMENT.

SUFFERERS are not generally aware that these diseases are contagious, or that they are due to living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research has proved this fact, and it is now made easy to cure this curse of our country in one or two simple applications made once in two weeks by the patient at home. Send stamp for circulars describing this new treatment to A. H. Dixon & Son, 303 King Street West, Toronto, Canada.

UNCOVERED

We will print your name and address in *American Agents' Directory*, for only 12 cents in postage stamps; you will then receive great numbers of pictures, cards, catalogues, books, sample works of art, circulars, magazines, papers, general samples, etc., etc. UNCOVERED to you the great and broad field of the great employment and agency business.
