

NEW YORK STATE MIRACLE

A YOUNG LADY'S GRATEFUL ACKNOWLEDGEMENT OF A TIMELY RESCUE.

Miss Lillian Sparks Restored to Health and Strength after Medical Aid had Failed—Her Condition that of Thousands of Other Ladies who may take Hope from her story.

From the Hornellville, N. Y. Times.

Painted Post is the name of a pretty little village of one thousand inhabitants, situated on the line of the Erie Railroad, in Steuben county, two miles from Corning, N. Y. The name seems an odd one until one learns the circumstances from which it was derived. When the first settlers came here from Pennsylvania, all this beautiful valley was heavily wooded, and abounded in many kinds of game, and was a favorite hunting ground for the Indians who then claimed exclusive rights to the territory. An object which attracted the attention of the first settlers and excited their curiosity, was a painted post which stood prominently in a small clearing skirted by great spreading trees. It was stained red, as some supposed with blood, and evidently commemorated some notable event in Indian life. And so from this incident the place naturally took its name. The city of Baton Rouge (which means "painted post,") La., also took its name from a similar circumstance.

But the main purpose for which your correspondent came here was to learn the particulars of a notable, indeed miraculous, cure of a young lady and her rescue from death by the efficacious use of Dr. Williams' Pink Pills for Pale People. Your correspondent only knew that the name of the young lady was Lillian Sparks, daughter of Mr. James W. Sparks. On enquiring at the post office for her father's residence we learned that he lived on the road to Hornby, five miles from Painted Post village. "And," said a young man who overheard the conversation with the postmaster "it is his daughter who was so sick that the doctors gave her up and she was cured by Pink Pills." And the young man volunteered to guide me to Mr. Spark's home. The courteous young man was Mr. Willie Covert, a resident of the place, organist in the Methodist church, and formerly organist for the Young Men's Christian Association of Rochester. So getting a horse we started in the storm, with the mercury ranging at zero, for a five-mile drive over the snow-drifted roads of Hornby Hills. When we reached our destination we found a very comfortably housed family consisting of Mr. and Mrs. Sparks, one son and five daughters. The oldest of the daughters, Miss Lillian, twenty-two years old, is the one whose reported wonderful cure by the use of Dr. Williams' Pink Pills for Pale People, your correspondent had gone out there expressly to verify by actual knowledge. This is the story told by Miss Sparks to your correspondent in the presence of her grateful and approving father and mother, and is given in her own language.

"Yes, sir, it is with pleasure that I give my testimony to the great value of Dr. Williams' Pink Pills. I was ill for four years, doctoring nearly all the time but without any benefit. I had six different doctors: Doctor Heddon, Dr. Purdy and How, of Corning, Dr. Butler, of Hornby, Dr. Remington, of Painted Post, and Dr. Bell, of Monterey. They said my blood had all turned to water.

I was as pale as a corpse, weak and short of breath. I could hardly walk, I was so dizzy, and there was a ringing noise in my head. My hands and feet were cold all the time. My limbs were swollen, my feet so much so that I could not wear my shoes. My appetite was very poor. I had lost all hope of ever getting well, but still I kept doctoring or taking patent medicines, but grew worse all the time. Last September I read in the Elmira Gazette of a wonderful cure through the use of Dr. Williams' Pink Pills for Pale People, and I thought I would try them. I did so, giving up all other medicines and following the directions closely. By the time I had taken the first box I was feeling better than I had been in a long time, and I continued their use until now as you can see, and as my father and mother know, and as I know I am perfectly well. I don't look

be same person, and I can now enjoy myself with other young people. Indeed I can't say too much for Dr. Williams' Pink Pills, for I am sure they saved my life. I have recommended them to others who are using them with much benefit, and I earnestly recommend them to any who may be sick, for I am sure there is no medicine like them. I am entirely willing you should make any proper use of this statement of my sickness and cure by Dr. Williams' Pink Pills." In further conversation Miss Sparks said she fell away during her sickness so much that she only weighed 80 pounds, while now she weighs 107.

"I suppose," said her father, "that it was overwork that made her sick. You see we have 400 acres of land, keep 35 cows, and there is a great deal to be done and Lillian was always a great worker and very ambitious until she overdid it and was taken down."

The facts narrated in the above statement were corroborated by a number of neighbors, who all express their astonishment at the great improvement Dr. Williams' Pink Pills have worked in Miss Sparks.

Dr. Williams' Pink Pills are a perfect blood builder and nerve restorer, curing such diseases as rheumatism, neuralgia, partial paralysis, locomotor ataxia, St. Vitus' Dance, nervous prostration and the tired feeling therefrom, the after effects of la grippe, diseases depending on humors in the blood, such as scrofula, chronic erysipelas, etc. Pink Pills give a healthy glow to pale sallow complexions and are a specific for the troubles peculiar to the female system and in the case of men they effect a radical cure in all cases arising from mental worry, overwork, or excesses of any nature.

These Pills are manufactured by the Dr. Williams' Medicine Company, Brockville, Ont., and Schenectady, N. Y., and are sold only in boxes bearing the firm's trade mark (printed in red ink) and wrapper, at 50 cts. a box, or six boxes for \$2.50. Bear in mind that Dr. Williams' Pink Pills are never sold in bulk, or by the dozen or hundred, and any dealer who offers substitutes in this form is trying to defraud you and should be avoided. The public are also cautioned against all other so-called blood builders and nerve tonics, no matter what name may be given them. They are all imitations whose makers hope to reap a pecuniary advantage from the wonderful reputation achieved by Dr. Williams' Pink Pills. Ask your dealer for Dr. Williams' Pink Pills for Pale People, and refuse all imitations and substitutes.

Dr. Williams' Pink Pills may be had of all druggists or direct by mail from Dr. Williams' Medicine Company from either address. The price at which these pills are sold makes a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.

When a person considers himself as "one in a thousand" he naturally regards the others as ciphers.
