

MURRAY & LANMAN'S FLORIDA WATER.—Little think those ladies who avail themselves of the empirical 'beautifiers' of the day that they are permanently destroying the health of the skin. From the time of the Borgias to the present day it has been well understood by the initiated, that the pure essence of fresh and fragrant flowers is promotive of beauty. In the preparation of this Toilet Water none but aromatic blossoms and leaves of a sanative nature are employed. In addition, therefore, to its excellence as a perfume, it has the property of clearing the complexion, and relieving the cuticle of all eruptions, &c., calculated to impair its smoothness, whiteness and transparency.

IT IS ASTONISHING.

Still another grateful letter sent to Messrs. Devins & Bolton, Druggists, Montreal, Next to the Court House.

DEAR SIRS,—For years I have suffered severely from liver complaint, constant pain in the side, no appetite, intense drowsiness and a sense of suffocation compelling me at times to remain in bed for three or four days. For two years I was constantly taking medicine under the advice of two of our best city physicians, without getting any relief. By their orders I spent the whole of last summer in the country, but without relief; last March I was advised by a friend who knew my virtues to try Bristol's Sarsaparilla but I had lost confidence in every thing and was fearful of getting worse, at last I did try it, its effect was most beneficial, my appetite returned, the heavy drowsiness left me and my digestion became vigorous and healthy. I used in all 12 bottles and am now as strong and well as any man could desire.

You are at liberty to make my case known to the public.

Yours very truly,
J. H. KENNEDY.

The peculiar skin or infection which we call SCROFULA lurks in the constitution of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unwholesome food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending from parents to children into the third and fourth generation; indeed, it seems to be the seed of life who says, "I will visit the iniquities of the fathers upon their children." The diseases which it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tuberculosis, and finally Consumption; in the glands, swellings which separate and become ulcersous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These all having the same origin, require the same remedy, viz. purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla

is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: King's Evil or Chancular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Ross or St. Anthony's Fire, Salt Rheum, Scald Head, Oozings from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Rheumatism, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in Ayer's AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. These cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of Ayer's Sarsaparilla, although it is composed of ingredients, some of which exceed the power of Sarsaparilla in alterative power. By its use you may protect yourself from the suffering and danger of these disorders. Purge out the foul accumulations that rot and fester in the blood; purge out the causes of disease, and vigorous health will follow. By its powerful action this remedy stimulates the vital energies, and thus expels the distempers which lock within the system or burst out on any part of it.

We know the public have been deceived by many compounds of Sarsaparilla, the principal ingredients of which are not only inferior, but they will find the desired purgative power by abundant trial, and there remains no question of its surpassing excellence in the case of the afflicting diseases it is intended to reach. Although under the same name, it is a very different root, and far more efficacious than any other which has ever been available to them.

AYER'S CHERRY PECTORAL,

The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.

A NEW ILLUSTRATED LARGE PRINT PRAYER BOOK.

A MANUAL OF CATHOLIC DEVOTION,
Compiled from the most approved sources, and adapted to all states and conditions in life.
ELEGANTLY ILLUSTRATED.
Publishers' Advertisement:

For years and years we have been asked for large print Prayer Book, and for one reason or another we delayed getting up one until the present time. We desired to make it, when made, the most complete and the most elegant Prayer Book published either in Europe or America, and we think we have succeeded.

The features which distinguish it from all other Prayer Books are as follows:

- It contains the principal public and private Devotions used by Catholics, in very large type.
- The Short Prayers at Mass are illustrated with thirty-seven new plates, designed and engraved expressly for this book.
- It contains the Epistles, Gospels, and Collects for all the Sundays and Festivals of the Year, together with the Offices of Holy Week, in three sizes larger type than they can be found in any other Prayer Book.
- The book is illustrated throughout with initial letters and cuts. It is printed on fine paper, from electrotypic plates, making it altogether the handsomest Prayer Book published.
