THE MONTREAL TEA COMPANY. The Whole Dominion should buy their Teas of the Importers, THE MONTREAL TEA COMPANY, 6 Hospital Street, Montreal.

Our Teas, after the most severe tests by the best medical authorities and judges of Tea, have been pronounced to be quite pure and free from any artificial colouring or poisonous substances so often used to improve the appearance of Tea. They are unequalled for strength and flavour. They have been chosen for their intrinsic worth, keeping in mind health, economy, and a high degree of pleasure in drinking them. We sell for the smallest possible profits, effecting a saving to the consumer of 15c to 20c per lb. Our Teas are put up in 5, 12, 15, 25 and 25 lb boxes, and are warranted pure and free from poisonous substances. Orders for four 5 lb boxes, two 12 lb boxes, or one 20 or 25 lb box sent carriage free to any Railway Station in Canada. Tea will be forwarded immediately on the receipt of the order by mail containing money, or the money can be collected on delivery by express-man, where there are express offices. In sending orders below the amount of \$10, to save expense it would be better to send money with the order. Where a 25 lb box would be too much, four families clubbing together could send for four 5 lb boxes, or two 12 lb boxes. We send them to one address carriage paid, and mark each box plainly, so that each party get their own Tea. We warrant all the Tea we sell to give entire satisfaction. If they are not satisfactory they can be returned at our expense.

Ayer's Sarsaparilla, FOR PURIFYING THE BLOOD. The reputation of this excellent medicine, enjoys, is derived from its cures, many of which are of a truly marvellous character. Incurable cases of Scrofula, where the system seemed utterly given up to corruption, have yielded to this compound of anti-scorbutic virtues. Disorders of a scrofulous type, and affections which are merely local, have been radically cured in such numerous instances, in every settlement in the country, that the public do not need to be informed here that it is in no case a specific, but a general and permanent cure. Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt taint of the organism undermines the constitution, and invites the attack of exciting or fatal disease, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the viscera. In the latter instances may be suddenly deposited in the lungs or heart, or tumors formed in the liver. These facts make the occasional use of the Sarsaparilla as a preventive, advisable.

It is a mistake to suppose that so long as no eruptions or humors appear, there must be no scrofulous taint. These forms of derangement may never occur, and yet the vital forces of the body be so reduced by its subtle agency, as to invite the attack of disease, and shorten the duration of life. It is a common error, also, that scrofula is strictly hereditary. It does, indeed, descend from parent to child, but is also engendered in persons born of pure blood. Low spirits, indigestion, flatulency, morbid habits, melancholia, and the depressing vices generally, produce it. Weakly constitutions, where not fortified by the most constant and judicious care, are peculiarly liable to it. Yet the cure is also, when the blood is purified, and the system is purified, the Sarsaparilla is so efficient as to be indispensable. And in the more concealed forms, as in Dyspepsia, Dropsy, Liver Disease, Erysipelas, Rheumatism, and other affections of the muscular and nervous systems, the Sarsaparilla, through its purifying power, removes the cause of the disorder and produces astonishing cures.

The sarsaparilla root of the tropics does not by itself achieve these results. It is aided by the extract combined with it, of still greater power. So potent is this union of healing virtues, Sphilitic or Puerperal, or Venereal Diseases are cured by it, though a longer time is required for subduing these obstinate maladies by any medicine. Leucorrhoea or Whites, Uterine Obstructions, and Piles, Diseases in general, are commonly soon relieved and ultimately cured by the invigorating and purifying effect of our Sarsaparilla. Rheumatism, and Gout, often dependent on the accumulation of excessive matters in the blood, have their remedy also in this medicine. For Liver Complaints, jaundice, inflammation, abscess, etc., caused by retained poisons in the blood, we unhesitatingly recommend the Sarsaparilla.

This medicine restores health and vigor where no specific medicine is required. It does not, however, in any case, injure any patient, whatever it is in no wise injurious to any patient. The number and importance of its cures in the scrofulous and other diseases, are beyond all account, and we believe that no other medicine in the history of medicine. Our motto is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

When administered to the aged, either resident in, or travelling through, miasmatic localities, will be protected by taking the AGUE CURE daily. For Liver Complaints, arising from torpidity of the liver, it is an excellent remedy, stimulating the liver into healthy activity. Prepared by DR. J. C. AYER & CO., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world. PRICE, \$1.00 PER BOTTLE. HENRY SIMPSON & CO., Montreal, General Agents for Lower Canada.
