## Every General Manager of a Canadian Bank

who has referred to the Maritime Provinces in his annual report, writes of the satisfactory condition of business in this part of Canada. And this when all other parts are experiencing a very considerable falling off in business and many signs of real money stringency. Linked up with the business and private life of Nova Scotia and Prince Edward Island is the Maritime Telegraph and Telephone Company. This Company's services are now nearly as necessary to the present day active man or woman as are the mails, newspapers and utilities such as electric light, gas, water and sewerage.

For this reason we offer a block of Maritime Telegraph and Telephone Company preferred stock with the assurance of safety of principal, steadiness of income, and marketability in the event of investors wishing to realize. Price and full particulars will be given upon request.
