A GLASGOW grain firm has written to a grain dealer in Brandon asking for samples. On receipt it will cable the prices it can pay, delivered in Brandon, or at any station along the C. P. R. The grain is to be No. 1 hard, and to be shipped in sacks furnished by the firm.

VESSEL-OWNERS and captains in the lake cities of the States are eager on the subject of building new boats. According to a critic, "A four-cent rate on grain out of Chicago has turned their heads. They'll go to work now and cover the lakes with new tonnage and knock grain freights down to a cent next season." A prominent ship builder says that he has more proposals for new boats than he knows what to do with.
