NOTES.

- (a) Kt x B would have left White a forced won game.
- (b) Q-K 2 + might have been better.
- (c) The best move, apparently, to maintain the attack.
- (d) Instead of this, Black might have equalized the game, at least, in a few moves by playing—  
14. B x B and 15. P-Q 3 for the White Knight would then have been forced to retreat.

CURE YOUR COUGH

With Ayer's Cherry Pectoral—the most prompt and effective remedy for all diseases of the throat and lungs. It cures bronchitis and croup, relieves asthma, removes hoarseness, promotes expectoration, soothes and heals the inflamed mucous membrane, and induces repose. If taken in the first stages of consumption, Ayer's Cherry Pectoral prevents further progress of the disease, and even at a later period, it relieves many of the distressing symptoms. Mrs. L. I. Cloud, Benton, Ark., writes: "I have been a life-long sufferer from weak lungs, and, till I used Ayer's Cherry Pectoral, was scarcely ever free from a cough. This medicine always relieves my cough and strengthens my lungs, as no other medicine ever did. I have induced many of my acquaintances to use the Pectoral in throat and lung troubles, and it always proved beneficial, particularly so in the case of my son-in-law, Mr. Z. A. Snow, of this place, who was cured of a severe cough by its use."

"In the winter of 1885 I took a severe cold, which, in spite of every known remedy, grew worse, so that the family physician considered me incurable, supposing me to be in consumption. As a last resort, I tried Ayer's Cherry Pectoral, and, in a short time, the cure was complete. I am never without this medicine."—G. W. Youker, Salem, N. J.

Facts are Stubborn Things

So is Bad Blood. The difference between them is that a fact is here to stay. Bad Blood can only stay until Burdock Blood Bitters is used, then it must go. It takes facts to prove this to your satisfaction, and we give them to you every time we catch your eye. Here is one of them. Don't throw the paper down, but read this letter from Mr. Fred. Taylor, a detective of Winnipeg. We present his portrait, together with that of his little daughter, mentioned in his letter.

FATHER AND DAUGHTER.

ONE OF THE GALLANT 90TH BATT.

DEAR SIRS,—Having felt out of order for some time, and having no energy or appetite, blotches on legs, tumor on neck—arising from impure blood, doctors doing me no good, I was induced to buy some B.B.B. I was very much against patent medicines at the time, having tried so many, but after using two bottles I began to get better, and at the fourth bottle was completely well and around again. I believe in B.B.B. now, I tell you. I send you a photo of myself and little daughter, Lilly. B. B. B. cured her of nasty blisters which came out on her lips. Yours thankfully,

F. TAYLOR,

9 Stephen St., Winnipeg, Man.
