BY JAMES OSGOOD

NEW YORK: PUBLISHED BY G. & C. VAN NESTLAND, 1776.

THE HISTORY OF THE UNITED STATES, IN THE YEAR 1776, IS A WORK OF GREAT IMPORTANCE, AND ONE WHICH HAS BEEN THE SUBJECT OF MUCH DISCUSSION. THE AUTHOR HAS endeavored to present a fair and impartial view of the events of that year, and to show the causes which led to the declaration of independence. He has also endeavored to show the progress of the war, and the success of the American arms. The work is divided into two parts, the first of which contains the history of the year, and the second of which contains the history of the war.
