

**Table 6**  
**Support for Canada's UN Options: Regional Differences**

<u>Option</u>	<u>Atlantic</u> %	<u>Québec</u> %	<u>Ontario</u> %	<u>Prairies</u> %	<u>British Columbia</u> %
Creating Dedicated Peacekeeping Unit	53	28	38	34	41
Lending the UN Personnel for Advice	43	28	37	30	39
Lending the UN Equipment	34	21	25	22	24
Giving the UN Money	18	9	16	13	13
Contributing Troops to UN Standing Force	49	27	41	33	40

The differences depicted in Table 6 (showing variations in the number of Canadians strongly agreeing with each option) should not obscure the fact that the majority of Canadians in all regions agree with options tested except giving the UN money.
