

Supplementary Compensation

Article 4

1 The Supplementary Fund shall pay compensation to any person suffering pollution damage if such person has been unable to obtain full and adequate compensation for an established claim for such damage under the terms of the 1992 Fund Convention, because the total damage exceeds, or there is a risk that it will exceed, the applicable limit of compensation laid down in article 4, paragraph 4, of the 1992 Fund Convention in respect of any one incident.

2 (a) The aggregate amount of compensation payable by the Supplementary Fund under this article shall in respect of any one incident be limited, so that the total sum of that amount together with the amount of compensation actually paid under the 1992 Liability Convention and the 1992 Fund Convention within the scope of application of this Protocol shall not exceed 750 million units of account.

(b) The amount of 750 million units of account mentioned in paragraph 2(a) shall be converted into national currency on the basis of the value of that currency by reference to the Special Drawing Right on the date determined by the Assembly of the 1992 Fund for conversion of the maximum amount payable under the 1992 Liability and 1992 Fund Conventions.

3 Where the amount of established claims against the Supplementary Fund exceeds the aggregate amount of compensation payable under paragraph 2, the amount available shall be distributed in such a manner that the proportion between any established claim and the amount of compensation actually recovered by the claimant under this Protocol shall be the same for all claimants.

4 The Supplementary Fund shall pay compensation in respect of established claims as defined in article 1, paragraph 8, and only in respect of such claims.
