

I should like to express the gratitude of my Government for the co-operation which has been received from the United States Government in preparing for the construction of the St. Lawrence project, which is so urgently needed in the interests of the economic development and defence of both our countries. On behalf of my Government, I should also like to request the continued co-operation and support of the United States Government in completing the arrangements for proceeding with this project.

Accept, Sir, the renewed assurances of my highest consideration.
