

A Message was delivered by Major A. R. Thompson, Gentleman Usher of the Black Rod:—

Mr. SPEAKER,

His Excellency the Governor General desires the immediate attendance of this Honourable House in the Chamber of the Honourable the Senate.

The House attended accordingly; and being returned,

Mr. Mackenzie King introduced a Bill, No. 1, An Act respecting the Administration of Oaths of Office, which was read the first time.

Mr. Speaker reported, That when the House did attend His Excellency the Governor General this day in the Senate Chamber, His Excellency was pleased to make a speech to both Houses of Parliament, and to prevent mistakes, he had obtained a copy which he read to the House as follows:—

*Honourable Members of the Senate:*

*Members of the House of Commons:*

As you are only too well aware, all efforts to maintain the peace of Europe have failed. The United Kingdom, in honouring pledges given as a means of avoiding hostilities, has become engaged in war with Germany. You have been summoned at the earliest moment in order that the Government may seek authority for the measures necessary for the defence of Canada, and for co-operation in the determined effort which is being made to resist further aggression, and to prevent the appeal to force instead of to pacific means in the settlement of international disputes. Already the Militia, the Naval Service and the Air Force have been placed on active service, and certain other provisions have been made for the defence of our coasts and our internal security under the War Measures Act and other existing authority. Proposals for further effective action by Canada will be laid before you without delay.

*Members of the House of Commons:*

You will be asked to consider estimates to provide for expenditure which has been or may be caused by the state of war which now exists.

*Honourable Members of the Senate:*

*Members of the House of Commons:*

I need not speak of the extreme gravity of this hour. There can have been few, if any, more critical in the history of the world. The people of Canada are facing the crisis with the same fortitude that to-day supports the peoples of the United Kingdom and other of the nations of the British Commonwealth.

My Ministers are convinced that Canada is prepared to unite in a national effort to defend to the utmost liberties and institutions which are a common heritage.

Mr. Mackenzie King, a Member of the King's Privy Council, laid before the House,—Copies in English and French of documents relating to the outbreak of War, September, 1939:—

(a) Communications exchanged between His Majesty's Government in the United Kingdom and the Government of the German Reich, between the 22nd of August and the 3rd of September, 1939, together with statements made in the House of Commons by the Prime Minister of the United Kingdom.

(b) Communications addressed by the Prime Minister of Canada to the Heads of certain European States in August, 1939, and replies thereto.
