2. Has any investigation been undertaken as a result of submissions by individuals or organizations and, if so, have any remedial measures been started and, specifically, what measures?

No. 1,360-Mr. Matheson-January 28

1. What percentage of the total world exports in wheat and flour was supplied by Canada each year commencing 1950?

2. What volume of wheat and flour was purchased by Japan in each of these years, and what proportion of Canada's total sales to all countries did these purchases represent?

3. By what value did Canada's sales to Japan exceed her imports from Japan in each of these years?

4. By years, how many items imported by Canadians were subjected to "voluntary" export control by the Japanese in an attempt to co-operate with this government?

5. What steps has this government taken, with dates, the effect of which has been to curtail or limit or restrict Japanese sales to Canada?

*No. 1,361—Mr. Deschatelets—January 28

From January 1962 to date, what have been the various amounts which the federal government has paid per month to the Province of Quebec under the Federal-Provincial Agreement on Unemployment Assistance?

*No. 1,362—Mr. Deschatelets—January 28

1. How much money is there in the Unemployment Insurance Fund as of this date?

2. Apart from statutory contributions made by employers and employees, was there any money put into the Unemployment Insurance Fund in the form of loans or otherwise and, if so, for what amounts and at what rate of interest?

No. 1,363—Mr. Côté—January 28

1. How many loans have been granted by the Central Mortgage and Housing Corporation in the County of Chicoutimi since the establishment of the Corporation, and what is the total amount of those loans?

2. How many insurance premiums for loans have been paid by the borrowers?

3. How many houses have been repossessed and what is the total amount of costs and expenses incurred by the Corporation?

4. Are borrowers, who are behind in their payments because of illness or loss of employment, but who are considered as honest and serious citizens, permitted to re-finance their loans with easier terms of payment?

5. Are persons, who find it difficult to meet monthly payments of approximately \$100 but who enjoy regular employment, permitted to re-finance loans with a longer period of repayment?
