Dear Dr. Heiser:-

Upon my return to the University  
after a week's absence I found awaitin me your  
letter of November 25th.

I am very sorry that it will not be  
possible for you to give one of the lectures in the  
course in Industrial Medicine which we hope to give.  
I hope that you have an enjoyable and successful  
trip to Central America.

I also recall with pleasure our meeting  
in St. John in 1920.

With all good wishes, I am,

Yours faithfully,
