RAVENSCLIFFE.

By the Author of

"EMILIA WYNDHAM," "TWO OLD MEN'S TALES," &c. 3 v.

"Ravenscliffe contains scenes not surpassed in power and beauty by those in 'The Admiral's Daughter,' which announced an addition to the phalanx of English authoresses so remarkable as that of 'The Two Old Men.' No reader can bear the heroine company without feeling in some degree the same sense of powerlessness to cope with the fascinations of a dark destiny which is conveyed by the stories of Richardson's 'Clarissa,' and Scott's 'Lucy Ashton.' This is praise enough—yet not too much."—*Athenæum*.

"A story of remarkable power and beauty."—*Post*.

"A picture of an ill-starred marriage, such as Scott has not surpassed in the noble 'Bride of Lammermoor.'"—*Examiner*.

"'Ravenscliffe' is beyond all question a work of genius, and full of power and originality. Its strength and vigour are extraordinary—the force with which scene after scene is unfolded, each rising above the other in power and interest, carries us breathless through the volumes."—*Guardian*.

JACOB BENDIXEN, THE JEW.

BY MARY HOWITT.

From the Danish. 3 v.

"This tale has the fascination and the value of a glimpse into a most strange world. We heartily commend the novel."—*Athenæum*.

"A very remarkable and delightful book, full of delicate beauty, elegant playfulness, and deep wisdom. It is a most fascinating tale, fraught with an important and touching lesson of mutual tolerance."—*Daily News*.

"As interesting as anything of Fredrika Bremer's."—*Spectator*.

"This new work, by Mary Howitt, will be found peculiarly attractive, no less from the interest of the story itself than from the entire novelty of its characters, scenes, and incidents. Mrs. Howitt says, in her preface: 'At the moment when we are searching into the social and moral condition of all classes, a faithful transcript of the life and feelings of the Jews cannot fail of being welcome. These pages unlock, as it were, that mysterious and sealed book, the heart of the Jew, and enable us to peruse the history of a human soul, which is as interesting as it is new—at the same time it makes us familiarly acquainted with the domestic life, manners, and feelings of a portion of the community which is, in general, as little known as if it belonged to another hemisphere.'"—*Globe*.
