12th York Rangers - Color-Sergeant Slater 100, Major Elliott 99, Lieut. Robert Sprinks 99, Private Kingdon 98, Captain Fowler 97, Captain Curran 94, Sergeant Pringle 98, Lieutenant Fletcher 95, Major Clarke 94, Captain Dunham 92.

In a five-man tyro match of the I.R.C. at the 500 yards range, the result was as follows - First team: Monkman, Coath, E. Kerr, McDonald, and Proctor - Total, 107. Second team - Moore, Corbett, Dean, Hutchinson and R. Kerr - Total 106.

In the F Company match of the 10th R. G. Private Bickford came off with Sergeant Bayles second and Sergeant Kelly third.

Color-Sergeant Jones won the Good Shot Badge of the 12th Y. R. shooting with a short Ross and open sight.

The Q. O. R. and the 48th Regiment indulged in skirmishing practice at the close of the afternoon's shooting.

The range officer, Sergeant J. Smith, had difficulty in mustering a sufficient number of the regular marksmen belonging to the cadet corps which only returned from the Niagara Camp on Saturday. These, however, will again be on duty next Saturday.

DON RATEPAYERS SEE BRIDGE PLANS

High Level Structure Over West Don at Eglinton Avenue.

ENTRANCE FOR RADIALS

Hydro-Electric Extension Up Don Road to Start at Once.

The East York Township Ratepayers' Association held a meeting on Saturday night at the Don School house, Mr. Harold Duncan in the chair.

The plan is for a steel bridge 32 feet wide with six feet extension sidewalk on each side, in addition. The span is 682 feet; it is 70 feet above the water so the river and about 20 feet below the level of the Canadian Pacific Railway bridge, which is 200 feet to the south.

The cost would be about \$150,000 for a high-class bridge of this character and would be a good deal of the quality of the new Wilton avenue bridge over the Don in the city.

The members discussed the ways and means of financing the bridge and thought the Canadian Northern or the hydro-electric might use the bridge as the former for the entrance of the Toronto and Eastern into the city to the north, where the radials now terminate; the latter for the line to Agincourt, Markham and Uxbridge, and if either or both of these roads were to use the bridge they would have to pay a large portion of the cost.

Committee Appointed. It was also announced that perhaps the Canadian Northern would build a new bridge there, or that the Canadian Pacific might replace one of its bridges there at the present time with a much larger one, and that in either case it might be used both as a railway and as a public bridge.

It was also announced that the meeting that the construction work on the hydro-electric power line extension up the Don road would be commenced immediately, two carloads of poles having been already delivered at Donlands siding, and the wire and other material to follow at once.

MOUNT ALBERT

The annual excursion of the Mount Albert and Hartman Sunday Schools, will take place to Beaverton on Wednesday, leaving Mount Albert via C. N. O. R. at 9:09 a.m. The local band will accompany the excursion.

NEWMARKET

Two money bylaws will be submitted to the electors of Newmarket providing for an issue of debentures covering expenditures of \$15,000 for waterworks and \$5,000 for permanent sidewalks.

Tomorrow night the regular meeting of W.C.T.U. will be held in Mrs. O. J. Wilson's house, Queen street, at three o'clock.

125 train from the Union Station could easily have filled another car, and as it was many people were left at Sunny-side Station. The only alternative is to help in the over-crowding of the over-taxed radial cars.

W. TORONTO LODGES PARADE TO CHURCH

Seven Hundred Orangemen Attend Presbyterian Service.

HEAR ELOQUENT SERMON

Rev. D. T. L. McKerrroll Urges the Brethren to Stand Fast.

Headed by their own bands—brass, fire and drum and bagpipes—ten lodges of the Toronto Junction District L.O.L. marched to Victoria Presbyterian Church to service yesterday afternoon.

The service was conducted by the pastor, Rev. D. T. L. McKerrroll, B.A. who chose the text for an eloquent address to the men before him, from Phil. 1: 27: "Stand fast in one spirit, with one mind striving together for the faith of the gospel."

The following lodges attended: O.T.B. No. 27; Sir Edward Carson, No. 231; Sandy Row Volunteers, No. 444; McCormack, No. 2142; Bunnydone, No. 1987; Mimico, No. 620; Golden Star, No. 298; Castion Purple Star, No. 692; Century, No. 225; Wallace Protective, Black Knights of Ireland.

Death of Charles Cox. The death occurred yesterday at his home, 350 Bessford avenue, of Charles Cox, a well-known resident in Sunny-side, in his thirty-fifth year. He is survived by a widow and several children. The funeral will be conducted by Rev. Edward Morley of St. Paul's, Almette street, this afternoon in Prospect Cemetery.

GARDEN PARTY IN AID OF DAVISVILLE CHURCH

The members of the Davisville Presbyterian Church held a very successful garden party on Saturday in the Salvation Army grounds, Davisville, which was well-attended. The Cambrion quartet, Misses Williams, Williams and Duncan Cowan, gave a splendid entertainment. The proceeds will go towards the building fund of the new church, which is to be on the Glebe estate, Davisville avenue, and on which work has already started.

The new church, which is to be on the Glebe estate, Davisville avenue, and on which work has already started, will be in existence in Davisville only eighteen months, but has made rapid strides in that short time, having a total of 150 and counting on the day school of 120. The new church will be a brick structure, and will have seating accommodation for about 600. The work of construction will proceed at a brisk pace, and it will likely be completed in December.

NEW LAKE SHORE CLUB OPENED ON SATURDAY

The opening of the new Lake Shore Club on Edyth avenue on Saturday evening took the form of a very successful social dance. The inclemency of the weather affected the attendance, but some two dozen couples spent a most enjoyable time under the direction of the president, Mrs. J. T. Swift.

Much interest is being evinced in the new club, and many applications are in the hands of the secretaries, Mrs. Spence and Mrs. Stratham. It is proposed that afternoon teas be served, under the direction of Mrs. Dickinson, the convener of the refreshment committee, and there is no doubt in the minds of the executive as to the success of the venture.

With this club on the social side, the recently-formed board of trade on the business side and the efforts being generally for the well-being and progress of the village, the general opinion is that Mimico "is going to do things."

WOODBRIDGE

During July and August and the first two weeks in September the stores in Woodbridge will close at 1 p.m. every Wednesday to give the clerks a weekly half-holiday.

PHONES SWITCHED WITHOUT MISHAP

Five Thousand Subscribers Are Now Installed on New Circuit.

The cutting of a "leg" at midnight Saturday transferred 5,000 Bell Telephone subscribers of the old Hillcrest exchange, Oxford and Bellevue, to the new building in Bathurst street, south of St. Clair avenue.

The feature of the new phone exchange is the installation of a 10,000 unit switchboard. The device is of the most modern central energy design and has a capacity for serving 10,000 lines, which is the maximum reach of one building is similar to the old office in Bellevue avenue.

THIEVES AT ELORA STOLE MOTOR CAR

Five Passenger Car Taken From Garage - Grocery Also Burglarized.

ELORA, Ont., July 5.—Some time between Friday night and Saturday morning burglars effected an entrance from the rear into James F. Richardson's grocery and feed store here and rifled the tills, securing some \$20. The same night between 1 a.m. and 3 a.m. the entrance was forced into T. H. Farley's garage and an automobile, belonging to D. H. Jones, stolen.

The car stolen was a McLaughlin-Bulck 5-passenger touring machine, with black body. The manufacturers' number was 469 and the Ontario license for 1914 23,295.

VEGETABLE GROWERS ENJOYED OUTING

Visited John Tizzard's Gardens and Compared Crop Conditions.

The Toronto branch of the Vegetable Growers' Association of Ontario spent a very enjoyable afternoon on Saturday, when, meeting at the Humbler bridge, they were conveyed in automobiles, under the direction of John Tizzard, to his gardens on Queen street.

About two hours were profitably spent by some 35 members in inspecting the well-kept gardens of Mr. Tizzard, and the adjoining gardens of John Harris and Mr. Freely.

Mr. Tizzard is in possession of 25 acres, about 15 of which are under intensive cultivation, and the remainder devoted to fruit trees. He is growing large quantities of potatoes, mostly the Ohio and Cobler varieties, and he expects that in about a week many of them will be ready for taking up.

Annual Excursion. It was decided to hold the annual excursion to Niagara Falls on Aug. 6, when it is anticipated that a large number of the members, with their families and friends, will take advantage of the outing.

The members, adjourning to the house after the inspection, refreshments were served, and at the close of the proceedings a very hearty vote of thanks was extended to Mr. and Mrs. Tizzard for their hospitality.

The next meeting of the Toronto branch will be held on Aug. 1 at the gardens of R. H. Tier, Irlington, when celery experimenting will form the topic of discussion.

RAVINE DEATH TRAP FOR AUTOMOBILES

Telephone Post Alone Prevented Sunday Night Disaster.

An automobile with five passengers narrowly escaped plunging down into the High Park ravine on Keele street last night. The car was driving down Keele street, but when the occupants discovered that the pavement ended just below Bloor they decided to turn back and in making the turn collided with a telephone post, smashing the front of the auto.

Residents in the neighborhood live in dread of serious accidents taking place as there is no railing and automobile at this point every day to get back to a paved street.

SURVEYING FOR RADIAL HUMBER TO MILTON

A hydro-radial line from the Humbler to Milton, running by way of Etobicoke, Toronto and Trafalgar Townships, is projected.

The matter has been taken up by the Ontario Hydro Commission, which is now having a survey of the district prepared before setting definitely upon the route which the line will take.

According to E. H. French, the hydro commissioner for Etobicoke, the section of the country which will be served is promising, from the hydro point of view, and he is assured that Engineer Gaby and the commissioners, who are having a report of cost and revenue prepared, look upon the proposed line as one which will eventually return a substantial revenue.

WESTON MASONS PLAN NEW TEMPLE

Three Storey Brick Building to Be Erected on Main Street.

At a meeting of the provisional directors of the Weston Masonic Temple Co., it was decided to proceed with the erection of a new Masonic Temple on the recently required site on the west side of Main street, nearly opposite King street.

The temple will be a three storey structure in brick and stone, of a dignified and simple design, typifying the purpose of the building.

Working drawings and specifications are now being prepared by the architects, and it is anticipated that tenders for the work will be received in a short time.

Dunning's Hotel & Restaurant

Dunning's are achieving a great success by keeping in view the demands of the exacting business men of the downtown district.

The funeral of Alfred Simper, 85, Toronto, who was drowned on the Empress of Ireland, and whose body has just been recovered, will be held from 11 a.m. to 1 p.m. at Prospect Cemetery.

FUNERAL OF ALFRED SIMPER. The funeral of Alfred Simper, 85, Toronto, who was drowned on the Empress of Ireland, and whose body has just been recovered, will be held from 11 a.m. to 1 p.m. at Prospect Cemetery.

Temple to be erected by Weston Masons on Main Street. It will be an up-to-date, solid brick building, with banquet and dance hall.
