DELAYED WINNING STREAK ARRIVES AT THE ISLAND

Clymerite sTurn on the League Leaders and Wallop Them Twice—McTigue Batted in the Winning Run in Second Encounter in the Ninth Inning—The Details.

Billy Clymer's Leafs have been a long time trying to get the losing habit out of their systems. Their efforts were rewarded yesterday when they had a bad outbreak of "winning fever" and laid low the Providence leaders in both ends of a double bill. The first encounter was won by Clymer's rapidly-recovering rappers by 4 to 0, and a thrilling finish captured the second battle by 3 to 2.

Stolen bases—Gilbert, Gill, Daley. Sacrifice hits—Graham, Fabrique, Williams. Sacrifice flies—Daley. Hit by pitcher—Oeschger 1 (Graham). Double plays—Wares to Rath to Graham. Manning and Oeschger had a pitching duel in the first game, but despite the fact that the Grays collected more hits than the locals, Manning won the honors and the game, 4 to 0.

The Toronto pitcher tightened nicely in the dangerous spots, and his fielders pulled off some snappy fielding.

The Leafs rushed over a run early. In the first inning Gilbert singled on the second ball pitched and stole. Rath walked and Graham sacrificed to pitcher. Daly planted one to centre that nearly went safe, Gilbert scoring on the catch. Williams flied to right. With two men on base in the eighth Williams banged a homer to deep centre for three more runs. This was all the scoring.

The second game was lively thruout and McTigue's smash in the ninth made a 3 to 2 victory possible. The Leafs scored one in the first, as follows: Gilbert raised to deep centre. Rath slipped a loop hit to left, Powell fell fielding it, but headed Rath at second trying to stretch it. Graham walked. Daly dropped a bunt in front of the plate and beat it to first and went to third, Graham scoring on Casey's throw to right field. Williams struck out.

The Grays tied it on two hits and a force out in the second.

The Leafs went in front again in the fourth on a single, two sacrifices and a wild pitch, only to have Providence tie it up in the eighth on a walk and a triple. Shean booted Kocher's roller in the ninth, and after Wares had sacrificed, McTigue poked into centre to score the winning run.

SPIRITED RACES FOR THE TROPHY

L. S. S. A. Regatta Should Provide Interesting Races —Opens Tomorrow.

The regatta of the Lake Sailing Skiff Association, which commences Saturday at the Alexandra Yacht Club, is stirring up a great deal of excitement around the yacht clubs of the bay. The Nationals are the first defenders of the T. Turrall Challenge Cup for 16-foot dinghies, and judging from the appearance of G. Dingwall's boat there will be a great race for the trophy.

From the reports received from Hamilton, Chas. Morris has a boat which is minutes faster than his old one; if this is the case there will be a race worth seeing as Dingwall's boat has succeeded in doing the same trick. Young Morris, who is not out of his teens yet, is conceded one of the best skippers in the 16-foot dinghy class and the boys are all looking for him to win. The Nationals have selected Jim Alexander to skip Dingwall's boat, with Art Turrall on the sheet and G. Macdonald spare, so with that combination there will be no walk-over on either side.

OFFICIALS FOR CANADIAN HENLEY

Annual Rowing Event Has Large Entry—Philadelphia and Detroit Crews Coming.

The complete entry list for the Canadian Henley Regatta, to be held at St. Catharines, Aug. 6 and 7, issued yesterday by Secretary Walter Harris, shows that there will be some excellent sport in all departments, in spite of the fact that the great war has taken away from Canada an extraordinarily large percentage of Canada's high-class rowing men. In the sculling there are nine entries in the junior singles, three entries in the junior doubles, five entries in the intermediate singles, three entries in the intermediate doubles, six entries in the senior singles, and two entries in the senior doubles. In the sweep-oaring there are two entries in the work-boat fours, three entries in the 140 pound junior fours, two entries in the junior fours, three entries in the intermediate fours, three entries in the senior fours, three entries in the 140 pound primary eights, two entries in the 140 pound special eights, three entries in the junior eights, and three entries in the senior eights.

The list of entries compares very favorably with the entries of last and former years. Proceeds this year will, outside minimum expenses, be devoted to the Red Cross fund at St. Catharines, and the ladies of St. Catharines who have been doing magnificent work for the Red Cross fund will be in charge of all the sale of tickets, refreshments, souvenirs, etc., and the regatta committee are hopeful of making a substantial addition to their fund as a result of this year's Henley. Immediately after the Henley, a score or more Canadian oarsmen, who are rowing at this regatta, will enlist for active service. The list of officials has been decided upon as follows:

Starter: Major O. Heron, Toronto.
Judges: James Pearson, Toronto; George Lothrop, Detroit; J. McAllister, Hamilton; D. Duffield, Detroit.
Timers: Major R. K. Barker; R. Nichols, Ottawa; T. A. Murphy, Toronto; James Bailey, Toronto.
Clerk of course: Wilfred Murphy, Port Dalhousie.
Capt. William Crawford of the Don Rowing Club is in charge of the press boat.

IMPORT RIDER TO TAKE McNEAL'S SCALP

That the motordrome management intend giving the local fans the best that can be had has been proven on more than one occasion this season. When Jimmy McNeal, the Omaha flyer, came to town and cleaned up Brownie Carslake, and later showed Francesco on his Cyclone a few of the fine points of motorcycling, Manager Edward A. Hughes decided to get the best man on this continent to oppose McNeal in a series of races. Yesterday the man arrived in the person of Lawrence (Larry) Fleckenstein of Denver, Col. The western man is riding the same Cyclone machine as McNeal made his one mile record of 35 1-5 seconds on. Fleckenstein and McNeal are undoubtedly the two greatest board track riders in the game, and the series of races, commencing on Saturday night and again on Monday night, should be the most exciting ever held at the Motordrome.

The local amateur cyclists have two title events ahead of them for Saturday night and Monday night. The quarter mile Canadian championship will be decided the first night, and the ten-mile title on the second night.

ORANGEVILLE, July 28.—The third day of the tourney of the Orangeville Lawn Bowling Club closed tonight with perfect weather. AMATEUR BASEBALL SATURDAY GAMES

The 2 o'clock game in the Y.M.C.A. League at Broadview field should be red hot battle from start to finish. East Toronto leads Broadview by only half a game and as there are only three more Saturdays in the schedule the result of this contest will practically decide the championship. The fans all want to see Walter Brooks in the Broadview line-up for this game, but we learn that he has made himself so indispensable to Col. Logie over at Niagara camp that he will be unable to get leave of absence. St. Clements and Central should furnish a good game at 4 o'clock.

Two games that have a decided bearing on the Playground League will be played at Perth Square in the Playground Senior League on Saturday. The first contest features Moss Park and Elizabeth and as both these teams have a chance for the pennant the game will be red hot every minute. Findlay and Samuels will likely be the opposing pitchers. The second game will bring together Osler and McCormick. Osler haven't suffered a defeat yet this season, but Manager O'Neill of the Macks insists that his team will take a fall out of them. Scott, the star twirler for McCormick, is back in town and will do the heaving.

CONNAUGHT CUP FINAL MONDAY

The Grand Trunk team of Montreal (champions of Quebec) will arrive here Sunday morning, and will have a day's rest-up ere they meet the Lancashires at Varsity Stadium on the holiday. The Ontario champions will journey to Montreal for the return game on 7th August. Total goals in the two games will decide the championship of Eastern Canada. The D.F.A. officials regret having to charge the ladies for admission, but the high traveling expenses necessitated this order. When the game is called at 3 o'clock the Lancashire fair sex will be there is large numbers to root for their favorites, of which nine of the players have enlisted for overseas service, where they hope to play football with Kaiser Bill.

HE WAS JUSTIFIED.

CINCINNATI, July 29.—Holding that a player is justified in jumping his contract if the club to which he belongs is in arrears in salary to him, Chairman August Herrmann of the National Baseball Commission today issued the following statement relative to the Compton case:

"If the Kansas City Club was in arrears to Compton, the player automatically became a free agent, and had the absolute right to go to the Federal League or to any league that would engage him. If we do not live up to our obligations we have no right to demand that the players live up to their contracts."
