

*From the Rev. William Edward Buckley, M.A., Fellow and
Tutor of Brasenose College, Professor of Classics in
the East India College, Haileybury.*

Haileybury, Hertford, June 1st, 1852.

Dear Sir,

Mr. John Ambery, M.A., of Brasenose College, has requested me to express my opinion of his qualifications for the appointment of Classical Master at ——— School. I have much satisfaction in complying with his wish, and stating the high opinion which I formed of his abilities and acquirements during the time he was in residence at Brasenose when I was tutor. He is a man of strong clear sense, quick in apprehension, and of good memory. He has read extensively, and was a very fair scholar; but history and science were his strong points. I always thought him a very likely man to be placed in the first class. In character and conduct he was irreproachable.

Should you think fit to nominate him, I am sure you will gain the assistance of a very zealous and efficient master.

I remain, dear Sir,

Your's faithfully,

W. E. BUCKLEY.

Fellow and late Tutor of Brasenose College,
Professor of Classics at the East India College.

*From the Rev. Henry Wall, M.A., Professor of Logic in the
University, Fellow and Tutor of Baliol College.*

Gentlemen,

Mr. Ambery, B.A., of Brasenose College, informs me that he is a candidate for the place of an Assistant Master at ——— School. He was my private pupil for two terms before his examination. He is a very good scholar; shewed great ability in the subjects which he read with me (Ethics and Logic), is very quick in apprehension, and possesses, I should think, a very extensive memory.
