Chalmers Automobiles may be seen at the Garage, Albert Street.

High-Grade Reliable First Class Watches

The "EATON" and the "WALTHAM." Of a surety the name sells the watch; and no name has sold more watches than that of "WALTHAM." Significant of high quality and superior workmanship it is a name that has always insured SATISFACTION.

But we now have a watch of our own of the same high order, which in three years has established for itself a very considerable and enduring record. This is the "EATON." Both watches, of course, are models of up-to-date designing. The "WALTHAM" is an American-built watch; the "EATON" is Swiss built on American plans—made in the heart of the home of the most expert watchmakers in the world—in Switzerland.

The "WALTHAM" Movement

The "EATON"

The plates are constructed of solid nickel; hardened steel exposed winding wheels and escape wheel; centre wheel of gold; compensating balance; Breguet hair spring; patent regulator; stem wind and stem set; 21 jewels (all rubies), are set in hand-made adjustable screw settings of gold. The watch is adjusted to five positions and to all temperatures, from intense heat to intense cold. It carries a rigid guarantee for two years, allowing of a thorough test. This 21-jewel movement in men's 18 size is priced at 16.00

Men's 12 and 16 sizes same price.

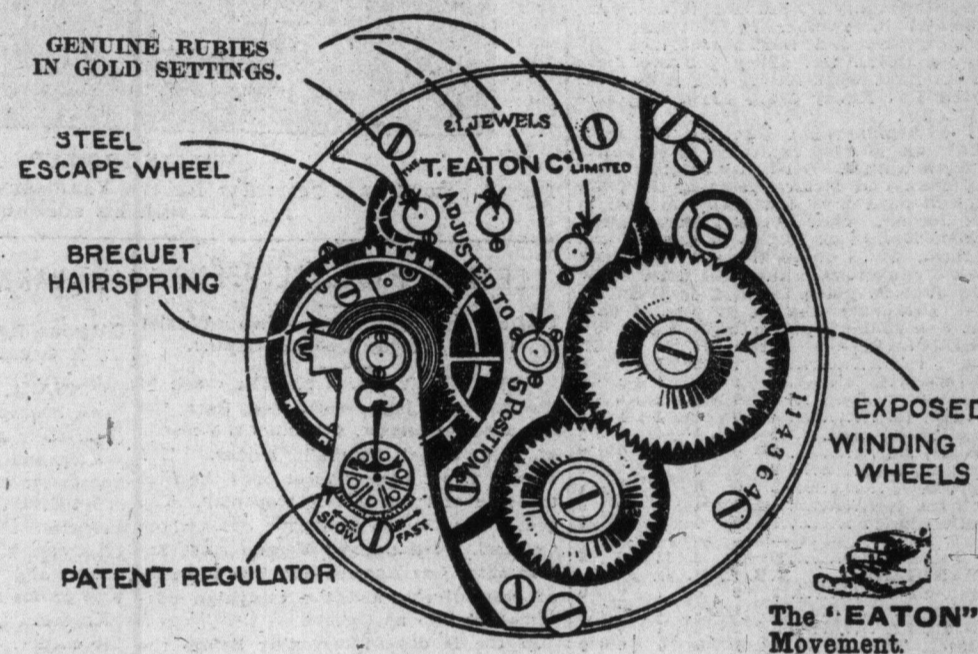

The prices are for the movements. Cases ranging from 50c to three dollars may be chosen, according to what you are prepared to pay.

It will be seen that in the details of construction the movements present the highest type of watchmaking. No feature has been adopted for the sake of economy; service was the sole consideration. In being adjusted to five positions the movements run without friction when the watch is laid face upwards, face downwards, at an angle, and so

The 21-jewel movement being the standard of excellence, we give a diagram of it here, showing at a glance the high order of construction that characterizes both watches.

The "WALTHAM"

The plates are constructed of solid nickel; exposed winding wheels and escape wheel are of hardened steel; gold centre wheel; Breguet hair spring; compensating balance; patent regulator. There are 21 amethyst and ruby jewels in adjustable gold settings. The movement is adjusted to five positions, and to extremes of heat and cold. Stem wind and lever set. A one-year guarantee affords you an opportunity to give this watch a practical test. The price of the 21-jewel movement in men's 18 size is 31.00

THE T. EATON CO LIMITED

OLD MILITARY CEMETERY TO RECEIVE ATTENTION

City Will Ask Co-operation of Governments and Will Make it into Park.

As a result of the joint of the members of the city council to the island yesterday, the attendance at the three committees called for the afternoon suffered considerably. The property committee failed to muster a quorum. The number of aldermen present at the meetings of the parks and exhibition and island committees was not much more than sufficient to carry on the business.

In response to a letter from W. H. Smith calling attention to the "disgraceful" condition of the military cemetery on Strachan-avenue, it was decided to have the parks commission report on the cost of placing the cemetery in first-class condition. When this has been done the Dominion and Provincial Governments will be asked to co-operate with the city in fixing it up. The city will later be willing to take it over as a park and become responsible for its up-keep providing the council favors the recommendation of the committee. The city has no responsibility in the matter.

CITY IN OPPOSITION TO CAR LINE ON LOUISA ST

Stipulates Before Railway Board That Terulay Line Go to College Street.

Application was made to the Ontario Railway Board yesterday afternoon by the Toronto Street Railway for leave to construct a line on Louisa-street, from Yonge to Terulay. It was vigorously opposed by H. L. Drayton for the city, unless the Terulay-street line was extended up to College.

Take Cars Off Yonge Street

Mr. Drayton: "They want to run as fast as they can, and carry many passengers. They want to cut down the car mileage and carry all the passengers they can get."

BATHURST AND BLOOR INTERSECTION.

It is the intention of the Toronto Railway Company to lay a new intersection at the corner of Bathurst and Bloor-streets to-night. If the weather is favorable, starting at 9.30. No cars will run past this point during the progress of the work, which is expected to be completed by tomorrow morning.

PIONEER ADULT SCHOOL

Work of English Organization Theme of Addresses at Banquet.

A most excellent musical program distinguished the third annual banquet of the Pioneer Adult School, held at Williams' Cafe last night. Miss J. Rule of Queen-street Methodist Choir has a rich and sympathetic contralto and sang with great expression three numbers. Miss M. Blackburn of Simpson-avenue Church was the soprano and sang with sweetness and feeling. The Harmony Male Quartet, Messrs. Beatty, Jas. Brown, C. H. Leslie and F. M. Brown, contributed excellent parts songs and solos. Felix Kaufman gave two recitations. C. C. Van Norman occupied the chair, and George Green spoke of the work of the adult school, an English organization, which aims at making religion popular and undenominational among those not already allied with the churches. Much assistance is given to immigrants coming out to Canada, and many are passed on to the west. Temporary club rooms are established at 330 West Adelaide-street, but a movement is on foot to secure permanent quarters.

W. N. McEachren G.S. West. W. N. McEachren of 88 Victoria-st., has left for a business trip to Winnipeg, Calgary, Edmonton, Red Deer and other cities in the west, to inspect the real estate properties.

Could Not Rest at Night. Back Was So Weak.

Weak, lame and aching backs are the ordinary cause of kidney trouble. When a back aches or becomes weak it is a warning from the kidneys that everything is not right with them.

Herbert Stone.

Herbert Stone, son of Chas. A. Stone, accountant of the I.O.F., is dead at his father's residence, 17 Laxton-avenue. Until the time of his sickness, a month ago, the deceased was secretary-treasurer of the W. J. McGuire Company, Montreal.

MONTREAL MILITIAMEN OBJECT TO OTTAWA ORDER

Say That Limiting Men to Use of Ross Rifle Will Kill Shooting Competitions.

MONTREAL, March 27.—The local militia men are sore, in fact it is red hot. And the cause of it is the order issued from Ottawa that all Lee-Enfield rifles be returned to stores, and that the regiments be armed with the Ross rifle, mark 2 (the short Ross). The local militia men are sore, from the ranges, the shots claim that the change means that shooting will be seriously interfered with, if not made impossible, except for those who purchase their own rifles. The mark 2 Ross is the short arm, which was so much condemned by shooting men before and after 500 yards as being practically useless. As mark 2 two-star Ross rifles, which are supposedly the arm of the militia, and the territorial rifles from Britain are both allowed on the ranges, the shots claim that a militiaman who does not wish or cannot afford to pay \$40 for one of these cannot compete with those who can. The commanding officers have talked of having a meeting to protest against the change.

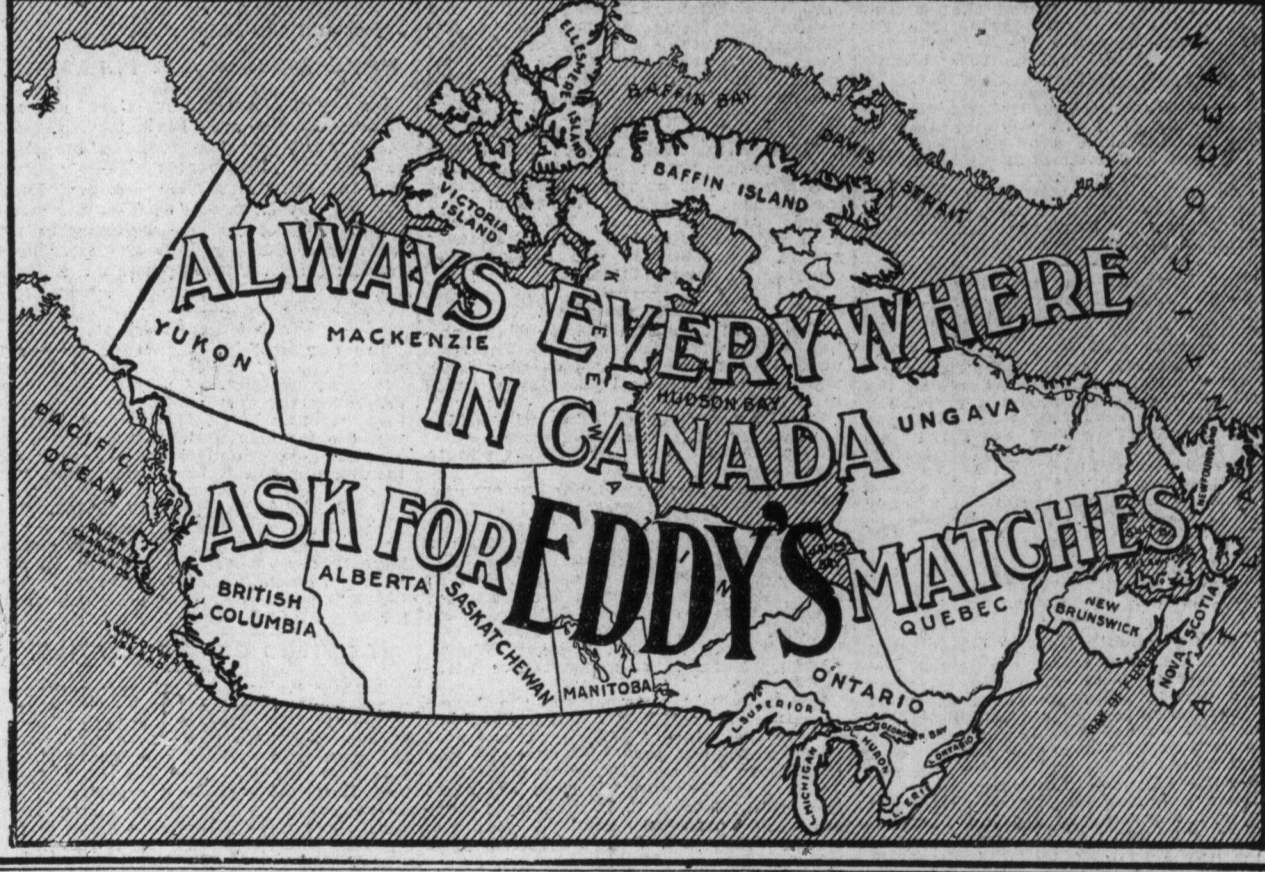

OBITUARY.

Mrs. Catherine Scallion Clarke. At her late residence, 37 Beatty-avenue, there passed away yesterday at the age of 87 Catherine Scallion, widow of the late John Clarke, both long residents of this city. Mrs. Clarke came here from her birthplace, Chamblay, Que., 78 years ago, and had seen Toronto grow from the mere village stage to its present prosperous condition as amongst the big cities of the continent. She is survived by four sons, William and John of Toronto, and six daughters, Mrs. Geo. Evans, Mrs. Lamb, Mrs. Richard Disette, Mrs. William Walsh, Mrs. James McCabe and Miss Kate Clarke, all of Toronto. The funeral of Mrs. Clarke will take place from the Church of the Holy Family on Wednesday morning.

Three Years for Theft.

STRAFFORD, March 27.—Deputy Judge E. Snyder Smith, K.C., to-day sentenced Thos. O'Hara to three years in Kingston penitentiary for theft of a gold watch from a young man under the influence of liquor.

EDDY'S MATCHES

\$2500 FOR LOST LEG

Street Railway Must Pay Damages to Little Arthur Ewing.

Five-year-old Arthur Ewing was the chief witness in his father's suit against the Toronto Railway yesterday, despite the fact that he said not a word. He exhibited a wooden leg, the result of injuries received when the wheel of a street car passed over his foot on Nov. 14, 1908.

JURY ASSIZES CLOSE

Niagara Falls Hotel Pays Guest \$2250—Change of Venue in McIntosh Suit.

Yesterday was the final day of the jury assizes, which have been continuing for some weeks under Justice Latchford. Along with the last of the many street railway cases were two cases which were disposed of out of court. One of these was a suit brought against the Clifton Hotel Co., Niagara Falls, Ont., by Dr. John H. and Mrs. Elizabeth Fryer of Buffalo. The woman claims to be crippled for life as the result of a fall of the elevator in the Clifton House. She asked \$25,000. The accident occurred last June. Settlement was made for \$2250.

Struck With Sledge Hammer.

KINGSTON, March 27.—(Special).—Ernest Heep, aged 20, had a miraculous escape from death when he was struck on the head with sledge-hammer at the locomotive works. The accident was purely unintentional. He is in the Hotel Dieu with a terrible scalp wound, but the doctors say he will recover.
